Subject: Is it legal to employ 14-yr-olds for paying jobs?

This solicitation flyer is currently posted to a City of Austin lightpole along the eastern side of North Plaza Drive, a few blocks south of East Rundberg Lane in Austin District 4 section of our state-capital city.

Photo taken by me next to public sidewalk and on possible City of Austin property just west of a fence to northwestern side of Center Point (sp? POINTE?) Apts. That complex is at Rundberg and North Plaza Dr.

Is fhe cited "employer" -- no employer name provided ---- honorable and law-abiding?

Vast majority of residents in this neighborhood are low-income Hispanic immigrants who might be vulnerable to exploitation by an employer.

Best wishes,

John Kevin McMillan, 8805 N. Plaza Dr., Apt. 2418, Austin TX 78753.
