RE: February 16, 2021, Request to the Long Beach Police Department

Dear District Attorney Gascón:

The Long Beach Police Department (LBPD) is in receipt of your February 16, 2021, letter requesting various information related to current and former Long Beach Police Officers. Since receiving said letter, the LBPD has been diligently coordinating with neighboring agencies, specifically through collaboration with the Los Angeles County Police Chiefs Association, as well as with the Long Beach City Attorney's Office, to ensure an appropriate and legally permissible response to the information you have requested.

As an investigating agency, the LBPD maintains its commitment to complying with its constitutional and statutory duty to provide exculpatory information to the defense through coordination with the prosecution. The LBPD has complied, and continues to comply, with such *Brady* obligations. The request from your office includes a broader range of information and, as such, the LBPD seeks to further collaborate and/or consult with the above-referenced parties in order to comply with said request to the extent legally possible.

We understand and commend the Los Angeles County District Attorney's commitment to complying with its prosecutorial obligations. The LBPD desires to continue assisting with such compliance in accordance with the law. Thank you and please feel free to contact me with any questions or concerns.

Respectfully,

Robert G. Luna
Chief of Police
