Demonstrations protesting the death of George Floyd in Minnesota continue in the Downtown Long Beach area. Currently there are approximately 1,500-2,000 demonstrators present. Most demonstrators in the area remain lawful, however looting has continued at multiple businesses at The Pike Outlets and additional vandalism observed in multiple locations in the downtown area.

Additional officers have been deployed to ensure public safety. Mutual aid has arrived in the city for additional assistance.

In an abundance of caution, 2nd Street between Livingston Dr. and Pacific Coast Highway has been shut down to vehicle traffic.

A livestream press conference will be held at 9 p.m. with Chief of Police Robert Luna, Mayor Robert Garcia, City Manager Tom Modica and Fire Chief Xavier Espino.

PD will continue to monitor the situation.

Demonstrations protesting the death of George Floyd in Minnesota continue in the Downtown Long Beach area. Currently there are approximately 1,500-2,000 demonstrators present. Most demonstrators in the area remain lawful.

Looting has commenced at a minimum of three businesses at The Pike Outlets. Visible property damage observed to business entrances and visible merchandise loss.

Demonstrations in certain areas of the downtown area have been determined an unlawful assembly and a dispersal order has been placed. It is the intent of the Police Department that everyone in attendance comply with the dispersal order as to not be subject to arrest.

Traffic is heavily impacted in the downtown area and we urge people to stay away from the area for their safety. Police presence will continue to preserve order and public safety. We have requested mutual aid and are receiving assistance from other agencies in the region.

PD will continue to monitor the situation.

A demonstration protesting the death of George Floyd in Minnesota continues to move through the Downtown Long Beach area. Currently there are approximately 1,500-2,000 demonstrators. Their behavior started peaceful, and while most remain lawful, some criminal activity has been observed. We've received reports of vandalism to both police and civilian vehicles, broken building windows and graffiti. Demonstrators have also thrown bottles at some officers in the area. Officers are currently trying to assist with traffic impacts by blocking intersections in the downtown area.

Officers have been deployed to the immediate area to preserve order and public safety. PD will continue to monitor the situation to ensure everyone's safety.

Lt.

Due to the reduced staffing and impracticality to doubling up officers at the airport, the outer field unit position will be modified to inner field. There will be no outer field perimeter during this Civil Unrest period. Officers will be remaining within the fence line. DCC's of the fence and gates will be done from the AOA side.

I will be working until 2100 hours today if you need anything.
