For your review, I have added the LBMC section to the 204s and to the 202. I have also added the line about amending the EAP based on changes to event intelligence.

Brian, attached is a watch report that will be going out shortly. It indicates the correct section to use for fireworks enforcement...please make a note somewhere in the EAP indicating this section and that officers need to issue fireworks citations...

Not sure what form it goes on in the EAP but please give them direction...thanks..
