**Subject:** CHIEF'S ALERT: Message to our Community

Below is a message that will be going out shortly via social media.

*As a Chief of Police, I was shocked and saddened to learn of the circumstances surrounding the tragic death of George Floyd in Minneapolis, earlier this week. The actions of these officers are directly in conflict with the oath we have taken to protect and serve, and also violate the public trust that we have worked so hard to build in our communities.*

*The Long Beach Police Department is committed to ensuring the safety and well-being of those who are in our care and custody. As part of our values, we are committed to treating all people with respect and providing our officers with the tools and training to safely interact with our community.*

*We truly value the relationships that we have built with our community and are committed to maintaining open lines of communication on issues that impact public safety in our City.*
