Subject: Intel Brief / Event List / COP Brief

Good morning,

I will have a draft copy of Monday's Intel Brief and Event List in the George Floyd share file.

Also, I think it would be prudent of us to maintain rough notes of issues/topics we brief the COP in the Monday and Thursday morning briefings. Not only notes of what we speak on but questions that were addressed to us. Again, this is just rough notes so that we do not duplicate efforts/messages (wasting people's time) but also we have a consistent message from us to them.
