CONTINGENCIES

Mutual Aid Requests:

- **Inbound:** All mutual aid requests shall be made through the Incident Commander. The Incident Commander will make mutual aid requests through the DOC. Agencies providing mutual aid will be directed to a Mutual Aid Staging location (consider using the DDR Lot, Vets Stadium, FSD). The Operations Section Chief will designate a Staging Area Manager (STAM) to provide command direction to responding resources.
- **Outbound:** If requested, the Watch Commander, Incident Commander, and Duty Chief will discuss the status of resources and determine what mutual aid, if any, is available for deployment. If able to be provided, no more than 50% of on duty patrol resources will be directed to stage (tentatively Field Support Division parking lot). The Watch Commander will assign supervision/squads and the group will respond to the incident together. Mutual Aid response equipment and supplies is at Field Support Division in the Mutual Aid Closet (Motor Bay). The key to access the Mutual Aid Closet is in the wall safe outside the Motor Bay (FSD Main Hallway). The wall safe code is 100972#. After accessing the closet, put the key back into the wall safe.
