# THE EVOLUTION OF RADICAL ISLAM

## OVERVIEW

On April 15, 2013, two homemade bombs detonated near the finish line of the annual Boston Marathon, killing three people and injuring several hundred others. The suspects, who were brothers, killed an MIT Police Officer, kidnapped a man in his car and had a shootout with the police in nearby Watertown, MA.

During questioning, one suspect stated that he and his brother were motivated by extremist Islamist beliefs and the wars in Iraq and Afghanistan. They also said they intended to travel to New York to bomb Times Square. This event and others are making law enforcement ask themselves if this is the new normal. This powerful class will educate you about the history and evolution of Radical Islam and the threat they pose to law enforcement.

## PRESENTER

### Officer Abe Ashabi

Officer Ashabi is an internationally known expert on Radical Islam and has spent time in Afghanistan assisting U.S. Coalition Forces with Counter I.E.D efforts.
