This is a follow up to request number P007641-101421:

This request was originally submitted via portal to Long Beach PD. It was last responded to on Oct. 26, 2021 via portal by Long Beach PD. Due to issues with the original communication method, we are now directing this request to you.

Thanks for the IACP report (and acknowledging that it should have always been a public record), but my request was for the anonymous survey results that were conducted as part of that report.

The url cited in my request contains the link you sent out. My request is for all the results of that survey, not a copy of the report. The report mentions 287 responses were received from the public.
