Everyone on the To: line should be receiving an invite to a web conference on March 21st at 3:15-4:00 for the Flock safety onboarding. This will be an introduction and give each of you access to run LPR searches using the Flock database. If you are working you can come back to investigations and join us on one of our laptops and if you are off during this time you can join from home and submit for overtime.

If you can't participate just let me know.

Thanks,

Jeremy

Hello,

I have a question about this invoice. We currently have 6 falcon cameras, 3 on existing poles and 3 on FLOCK poles. Can you check confirm what we owe?

Thanks,

Jeremy

Hi there,

We received an alert regarding power connectivity from Flock Safety camera #02 Gurnee Mills Cir W @ Grand Ave NB at IL - Gurnee. At your earliest convenience, could you please help ensure that power is flowing normally to the AC box?

Please follow the below steps to check your power source and prevent prolonged camera downtime.

Confirm the red light is glowing on the rectangular box that feeds a wire to the camera: ? If the Red light is not lit (Off), please have a professional check your incoming power for potential issues such as a tripped circuit breaker or damaged power line. Please look carefully as the light can be faint in daylight.

? If the Red light is lit (On), please reply to this message or email Flock Safety via support@flocksafety.com and let our team know so that we can send a technician out to troubleshoot.

Note: Some models have a Green light; if this is the case, please report whether it is On or Off.

Thank you for your assistance, and stay safe,

Below you will find a summary of upcoming activities related to your Flock Safety network.

Recent Activity

Location Name Status Visit Type Completed/Scheduled Date

#01 Hunt Club RD @ Westbrook LN EB Scheduled Maintenance - Complete Regular Maintenance 11/8/2022

#02 Gurnee Mills Cir W @ Grand Ave NB Scheduled Maintenance - Complete Regular Maintenance 11/8/2022

#03 Gurnee Cir E @ Grand Ave NB Scheduled Maintenance - Complete Regular Maintenance 11/8/2022

#04 N. Creek Dr @ Stearns School Rd SB Scheduled Maintenance - Complete Regular Maintenance 11/8/2022

Status:

Scheduling: We are actively scheduling the technician visit - be that for a pre-installation site survey or the installation. Be on the lookout for the dispatched appointment within the next week or two.

Scheduled: Barring unforeseen circumstances, the technician will be onsite for your site survey or installation on this date.

Completed: The technician has completed the visit. Next step: the experts are in the process of confirming that your cameras are functioning properly (receiving adequate sunlight, connecting regularly to the cellular network, taking high-quality images, etc.). Once that part is complete, we will grant access to your camera footage.

Visit Types:

Site Survey: The technician will confirm that the locations previously agreed upon will work for the installation. The technician will place white flags at each location according to the plan you approved.

Installation: The technician will follow the plan based on the results of the site survey.

Maintenance: Our systems have identified an issue with your camera and a technician will be onsite to resolve the issue.

Here is the invoice for the golf signs paid for with check number 1127.

The golf committee just spoke this week on setting up a meeting sometime in the first week of March to start our planning. I will reach out before then to discuss the most efficient way of having people pay. If we can avoid having 75 checks mailed to me, I would love to get away from that.

I also have my invoices from the expenses I incurred purchasing items for the raffle. We spoke previously about the best way to seek reimbursement. I will send them next for your records.

Thanks

Hi Brian,

Attached is a check from the golf outing account. Please forward any invoices or receipts if you have them so I can electronically attach them to the online quickbooks.

We should talk before summer to see if we want to do the invoicing for the golf outing through the website. Looks like it worked out well last time.

Let me know your thoughts.

Thanks!

Hi Anne. Thank you for following up. Yes, I have received your sponsorship registration and we thank you for the support. A separate check is fine. Please make sure that the check is made out to the LCCPA Golf Outing and not the Gurnee Police Department. I get quite a few that come made out to the Gurnee Police Department and that complicates things significantly.

Thank you again and we look forward to seeing your team out at our outing. Your team was posted on a Par 3 last year as those tend to move a little slower and thus allow additional time to talk. Would that work again for Flock.

Thanks

Brian

Hi Chief Smith,

I hope you are having a great weekend so far. Flock Safety is interested in being a Birdie sponsor at the golf outing on August 1st. I have attached our registration to this email, but would it be okay to have our accounts payable team send the check over separately?

Additionally, please let me know if there is anything else you need from my end.

Thanks so much,

Village Board Approves 2023 - 2026 Strategic Plan

At Monday's Village Board meeting, the Village Board approved the 2023 - 2026 Strategic Plan. The planning efforts began earlier this year with variety of measures including a community survey, an internal stakeholder survey, six focus groups, and more. These efforts resulted in 6 Key Strategic Priorities: Fiscal Sustainability, Well-Maintained Infrastructure, Effective Communication, a Stable, Well-Trained Workforce, a Safe Community, and Lifestyle Vitality.

These strategic priorities were further built upon to include specific initiatives and action plans. The public is encouraged to view the Strategic Plan at shorturl.at/QU079 (<http://shorturl.at/QU079>)

Tom's Tours Visits Gurnee Mills

Tom's Tours spent the morning at Gurnee Mills for a behind-the-scenes look at some exciting initiatives and, more importantly, as they prepare for Santa's arrival on November 30th! From pictures with Santa to holiday performances, and everything in between, Gurnee Mills has a store and event for everyone this holiday season and all year round. For a full list of holiday events and happenings, follow Gurnee Mills on Facebook or check out their website at www.GurneeMills.com.

http://www.GurneeMills.com?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-106017314

During Tom's Tours, Mayor Hood, Trustee Ross, Trustee O'Brien, Lake County Board Member Carissa Casbon, and staff also received a comprehensive introduction to the newly installed Flock Safety System; a public safety operating system that helps law enforcement in thousands of communities work together to prevent and solve crime.

Did you know that Gurnee Mills is leading the way in regards to sustainability with the Simon Corporation? The newly installed moss water filtration system not only reduces their reliance on electricity but also saves approximately five million gallons of water a year. With the filtration system, Mother Nature does the work to clean water coming into the central plant. Say good-bye to chemicals.

The Village of Gurnee would like to thank Randy Ebertowski the General Manager, Tim Ryter the Director of Operations, Kelsey Castrejon the Director of Marketing & Business Development, Peter LeBlanc the Maintenance Supervisor, and Officer Gullifor for hosting!

Leaf Collection Program Update: Waste Management Delayed

Waste Management is currently delayed by one week for leaf vacuum service and anticipates to catch up through the coming weeks. On November 21st, Waste Management plans to continue with leaf vacuum service for west side of Gurnee (Area West of I-94). Please remain patient during the early weeks of leaf vacuum collection. The combination of a large amount of leaves falling very early this year has resulted in a large amount of leaves already at the curb for collection.

We encourage residents to bag leaves if possible as Waste Management will pick up bagged leaves on a weekly basis free of charge. There is no limit to the number of bags that can be placed at the curb. The annual program concludes December 17th.

Additional information on the leaf collection program can be found at: https://www.gurnee.il.us/residents/recycling/leaf-collection?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-106017314

GURNEE - The Gurnee Police Department has partnered with Gurnee Mills to enhance security measures at the area's largest shopping center. Increasing safety for shoppers and employees is a top priority, prompting Gurnee Mills to add the Flock Safety Automated License Plate Reader (ALPR) system on September 13, 2022. Since its installation two months ago, Gurnee Police have made seven arrests and recovered four stolen vehicles with the assistance of the ALPR system. Earlier this year, Gurnee Mills participated in the Community Partnership for Safety program by donating money for a new police canine; they are expanding their participation with the installation of the Flock Safety cameras.

The cameras proactively prevent crime by sending a real-time alert to law enforcement when a stolen car or known wanted suspect from a state or national crime database enters the jurisdiction. The system can also send alerts if a vehicle associated with a missing person in an AMBER or Silver Alert is detected.

The ALPR system is just one example of how other Gurnee businesses and neighborhood HOAs can join the Community Partnership for Safety program. The local program encourages Gurnee businesses and residents to work together to reduce crime and maintain a safe community. Those interested in getting Flock Safety cameras for their business or neighborhood are encouraged to contact the Crime Prevention office at the Gurnee Police Department.

"We share an invaluable partnership with Gurnee Mills, and we are grateful for their support as we work together to minimize crime. Using Flock Safety is a crime prevention measure to help stop crimes in progress, provide leads to further our investigations, and discourage future crimes. Gurnee has always been a safe community, and Flock Safety is helping to keep it that way. The amount of success we've seen in the past two months is encouraging, and we hope more businesses and neighborhood HOAs will consider installing the system.," said Chief Brian Smith of the Gurnee Police Department.

The cameras are built by Flock Safety, a public safety technology company that helps neighborhoods, communities, and law enforcement work together to fight crime. The cameras aid law enforcement investigating crime by providing objective evidence such as license plates and vehicle characteristics and only storing the information for thirty days. Any law enforcement searches within the ALPR system require justification and are only used to solve and reduce property and violent crime. The cameras are not intended for minor traffic or parking violations, and it does not have facial recognition capabilities.

Good Morning,
Do you want to build a narrative that makes your agency shine in the public eye? Are you excited to share stories about your officers serving and protecting the public every day?
More than ever, it's critical for law enforcement agencies to craft a positive narrative in the news and on social media. During this Webinar, we'll hear from Public Information Officers who specialize in telling great stories about their officers and agency.
Join us on January 20th at 3 p.m. ET / 12 p.m. PT for an information-packed session. Please forward this along to any fellow officers and PIOs who may benefit from this conversation.
See you there!

Holly,
Flock Safety Communications

Good Morning,
Do you want to build a narrative that makes your agency shine in the public eye? Are you excited to share stories about your officers serving and protecting the public every day?
More than ever, it's critical for law enforcement agencies to craft a positive narrative in the news and on social media. During this Webinar, we'll hear from Public Information Officers who specialize in telling great stories about their officers and agency.
Join us on January 20th at 3 p.m. ET / 12 p.m. PT for an information-packed session. Please forward this along to any fellow officers and PIOs who may benefit from this conversation.
See you there!

Holly,
Flock Safety Communications

PRODUCT RELEASE DIGEST

This monthly update will keep you informed about all the latest product improvements and releases to ensure you get the most out of your agency's partnership with Flock Safety.

Highlights

New Year. New Website. Same Mission.

A message from our CEO Garrett Langley:

?It's a new year, and I'm incredibly proud to reveal an exciting brand refresh and new website for Flock Safety! When you think of Flock, you think about collaboration, innovation, reliability, security, and trust. We created this brand and identity with these words, along with our strong values and company ethics, in mind. I hope you'll check it out and let us know what you think!?

FEBRUARY 2022

PRODUCT RELEASE DIGEST

This monthly update will keep you informed about all the latest product improvements and releases to ensure you get the most out of your agency's partnership with Flock Safety.

Highlights

https://info.flocksafety.com/e/892161/ng-roles-to-assign-permissions/wn9yb5/168879604?h=Yr0lVaGadKiDmqtvPpTu97YRS_IRafyh50F8FXozWZI

Introducing: User Roles and Permissions

Could your Flock Safety users be assigned more effectively? Flock suggests the following user role set up: Administrator, Dispatch, Patrol, and Detective/Investigator. By designating these role types, you provide the proper level of access for each member of your team, leading to easier account administration. Learn more about how admins can set up user roles and permissions for maximum efficiency today!

Our product roadmap is largely driven by feedback from experienced law enforcement officers like you. On Wednesday, 2/23 @ 1 pm EST / 10 am PST, our product team will share the latest user-driven Flock Safety enhancements and explain how you can share your product ideas -- register here: <https://info.flocksafety.com/e/892161/006-WN-5BzIB3-8SnaXE5AU-urAJw-x7lhmt/173647262?h=Y7-ZChOJHNC6QLnG-w-J-7AHUohVQN0n6BH-5R7ZYSc>

Guest speakers include Vacaville PD's Sgt. Adam Senf, who will give you insight into our newest integration with Cradlepoint, and how it's improved dispatch efficiency for his agency. Other highlights include:

A new software package that makes legacy LPR and IP cameras smarter with Vehicle Fingerprint? technology and Advanced Search capabilities
New location-flexible hardware offering designed for quick and easy deployment
Insight into the product roadmap development process, and how you can help change our product for the better!

Hope to see you there!

Chief,

I hope all is well. Please Join us Wednesday the 23rd at Noon as we roll out several new enhancements to the Flock system and our latest product the Falcon Flex. This mobile solution combines the effectiveness of Flock Falcon LPR with the ability to easily temporally mount the camera for short to medium term deployments and move it around as your PD sees fit.

Flock is more than a hardware provider, we partner with law enforcement agencies like yours to develop a product roadmap that continues to drive value. Join our product development team as they share the latest enhancements to the Flock Safety experience next Wednesday, 2/23 @ 1 pm EST / 10 am PST -- register here: https://info.flocksafety.com/e/892161/0006-WN-5BzIB3-8SnaXE5AU-urAJw-xctrv3/175223266?h=RmvBRzK-0hT7rfedyODsIuvhd1OoXMiUNWsg_1XfpzA

Guest speakers include Vacaville PD's Sgt. Adam Senf, who will give you insight into our newest integration with Cradlepoint, and how it's improved dispatch efficiency for his agency. Other highlights include:

A new software package that makes legacy LPR and IP cameras smarter with Vehicle Fingerprint? technology and Advanced Search capabilities
New location-flexible hardware offering designed for quick and easy deployment
Insight into the product roadmap development process, and how you can help change our product for the better!

Hope to see you there!

Our product roadmap is largely driven by feedback from law enforcement customers like you. That's why I wanted to invite you to meet our product development team as they share the latest enhancements to your Flock Safety experience next Wednesday, 2/23 @ 1 pm EST / 10 am PST -- register here: https://info.flocksafety.com/e/892161/0006-WN-5BzIB3-8SnaXE5AU-urAJw/xdbf17/175844044?h=xMAzKXkaws_E-fJgJUeyUrPUFuwf2dDUzylruISY98

Guest speakers include Vacaville PD's Sgt. Adam Senf, who will give you insight into our newest integration with Cradlepoint, and how it's improved dispatch efficiency for his agency. Other highlights include:

A new software package that makes legacy LPR and IP cameras smarter with Vehicle Fingerprint? technology and Advanced Search capabilities
New location-flexible hardware offering designed for quick and easy deployment
Insight into the product roadmap development process, and how you can help change our product for the better!

Hope to see you there!

Capture more than license plates with Falcon Flex

While 80% of crimes happen with a vehicle, not every vehicle contains a license plate or the plate registered to that vehicle. The Falcon Flex, https://info.flocksafety.com/e/892161/falconflex-/x11mfp/178386046?h=_h-JbFQb5sRu00Qr1XGvptKUWHqiVc6qTtuxXpoufI0, captures license plates and vehicle characteristics including:

Build type
Make
Color
License plate state
Missing and covered plates
Bumper stickers
Decals
Roof racks
& more

Did you miss the Product Launch? Watch it here!

On February 23rd, we hosted our Q1 2022 Product Launch, "You Asked, We Listened." We highlighted feedback from experienced law enforcement officers like you who have helped shape the latest Flock Safety enhancements. A few highlights from the event included:

A new software package that makes legacy LPR and IP cameras smarter with Vehicle Fingerprint? technology and Advanced Search capabilities

Falcon Flex, the new location-flexible hardware offering designed for quick and easy deployment

Insight into the product roadmap development process, and how you can help change our product for the better!

Advanced Search Now Includes Automatic Vehicle Location

The Flock OS + Cradlepoint integration, now available with the purchase of Advanced Search, brings live patrol locations into the Flock OS map view. This gives dispatchers more context to deploy resources effectively and decrease incident response times from a single platform when a Hot List hit occurs.

Did you miss the Product Launch? Watch it here!

On February 23rd, we hosted our Q1 2022 Product Launch, "You Asked, We Listened." We highlighted feedback from experienced law enforcement officers like you who have helped shape the latest Flock Safety enhancements. A few highlights from the event included:

A new software package that makes legacy LPR and IP cameras smarter with Vehicle Fingerprint? technology and Advanced Search capabilities

Falcon Flex, the new location-flexible hardware offering designed for quick and easy deployment

Insight into the product roadmap development process, and how you can help change our product for the better!

Advanced Search Now Includes Automatic Vehicle Location

The Flock OS + Cradlepoint integration, now available with the purchase of Advanced Search, brings live patrol locations into the Flock OS map view. This gives dispatchers more context to deploy resources effectively and decrease incident response times from a single platform when a Hot List hit occurs.

JUNE 2022

NEWSLETTER

This monthly newsletter is here to keep you informed about all the latest product enhancements, success stories, and events at Flock Safety.

https://info.flocksafety.com/e/892161/solutions-education/28csjhp/269917460?h=L8HN6VvAmMFUw2f00cLNeDVxUYcoYChd7LYFBz_xi8

Eliminate Crime. Build Community.

Did you know that Flock Safety works with over 45 K-12 school districts and universities nationwide to help prevent crime on campus? Traditional cameras don't have the ability to prevent offenders from entering campus with real-time alerts, gleaned from objective evidence such as license plates. Flock Safety also helps campuses gain actionable evidence to help solve crimes such as motor vehicle theft, drug trafficking, parking lot break-ins, and more. Interested in learning more? Check out this story

https://info.flocksafety.com/e/892161/university-indiana-7452774001-/28csjhs/269917460?h=L8HN6VvAmMFUw2f00cLNeDVxUYcoYChd7LYFBz_xi8

on how Purdue University has partnered with Flock Safety and their local police department to reduce crime in the community.

If there's a school district or university that could benefit from proactive alerts, please reach out to us below ? our school safety team will be in touch.

Live video is here!

Did you know that Flock Safety offers the ability to connect third-party IP cameras from across jurisdictions (public or private) and display them alongside Hot List alerts, AVL data, traffic conditions, and more, at no cost?

When you combine actionable evidence from a Flock ALPR with Livestream Video + VMS, you can:

Access live on-scene video from your Dispatch Map and Live Video Gallery for better incident response and management

Unlock enhanced situational awareness for more leads, faster incident response, and increased officer safety

Build stronger cases with video replay, 7-day video retention, and MP4 downloads

Flock helps Locate Missing Woman in Northport

A 34-year-old woman went missing on Friday, June 3rd, and the only information the Local PD had of her last known location was driving from Northport to Alexander City. However, through the use of Flock Safety cameras, police located her safely. Learn more below.

Eliminate Crime. Build Community.

Did you know that Flock Safety works with over 45 K-12 school districts and universities nationwide to help prevent crime on campus? Traditional cameras don't have the ability to prevent offenders from entering campus with real-time alerts, gleaned from objective evidence such as license plates. Flock Safety also helps campuses gain actionable evidence to help solve crimes such as motor vehicle theft, drug trafficking, parking lot break-ins, and more. Interested in learning more? Check out this story

on how Purdue University has partnered with Flock Safety and their local police department to reduce crime in the community.

If there's a school district or university that could benefit from proactive alerts, please reach out to us below ? our school safety team will be in touch.

Live video is here!

Did you know that Flock Safety offers the ability to connect third-party IP cameras from across jurisdictions (public or private) and display them alongside Hot List alerts, AVL data, traffic conditions, and more, at no cost?

When you combine actionable evidence from a Flock ALPR with Livestream Video + VMS, you can:

Access live on-scene video from your Dispatch Map and Live Video Gallery for better incident response and management

Unlock enhanced situational awareness for more leads, faster incident response, and increased officer safety

Build stronger cases with video replay, 7-day video retention, and MP4 downloads

.

Brian,

You only have a few days left to nominate a fellow officer who has gone above and beyond to keep your community safe. Nominations will close this Friday, August 12th. To nominate an officer, share a story of an example of bravery or hard work in one of the following categories:

a missing person case

a violent crime case

an illegal weapons case

10+ stolen vehicle recoveries

agency collaboration case (new category)

community engagement (new category)

Wildcard

The winner will receive a Flock Safety #solved pin and lunch for their whole agency. You can nominate an officer here

.

Brian,

You only have a few days left to nominate a fellow officer who has gone above and beyond to keep your community safe. Nominations will close this Friday, August 12th. To nominate an officer, share a story of an example of bravery or hard work in one of the following categories:

a missing person case

a violent crime case

an illegal weapons case

10+ stolen vehicle recoveries

agency collaboration case (new category)

community engagement (new category)

Wildcard

The winner will receive a Flock Safety #solved pin and lunch for their whole agency. You can nominate an officer here

Brian,

You only have a few days left to nominate a fellow officer who has gone above and beyond to keep your community safe. Nominations will close this Friday, August 12th. To nominate an officer, share a story of an example of bravery or hard work in one of the following categories:

a missing person case

a violent crime case

an illegal weapons case

10+ stolen vehicle recoveries

agency collaboration case (new category)

community engagement (new category)

Wildcard

The winner will receive a Flock Safety #solved pin and lunch for their whole agency. You can nominate an officer here

Brian,

You only have a few days left to nominate a fellow officer who has gone above and beyond to keep your community safe. Nominations will close this Friday, August 12th. To nominate an officer, share a story of an example of bravery or hard work in one of the following categories:

a missing person case

a violent crime case

an illegal weapons case

10+ stolen vehicle recoveries

agency collaboration case (new category)

community engagement (new category)

Wildcard

The winner will receive a Flock Safety #solved pin and lunch for their whole agency. You can nominate an officer here

Subject: [Save the Date] Flock Safety's IACP Welcome Party
Join us for a welcome party on Saturday, October 15th from 5:00 to 7:00 PM to kick off IACP at Electric Shuffle in Dallas! We look forward to a little friendly competition with our Chief customers with some high-tech shuffleboard.

Space is limited, so please RSVP here: <https://info.flocksafety.com/e/892161/welcome-party/2lj7j6g/370795273?h=KInf5PZTfsEqnZYrxN4SE8MVjfBrgek6YJyHGzcBecI>

Flock Safety is pleased to provide attendance at this event at no cost where appropriate under applicable laws. By attending this event and accepting transportation, food and refreshments (valued at approximately \$95 per person), attendees certify that they are able to do so in compliance with all applicable laws and the internal organizational policies. Flock may be required to report gifts or invoice attendees to avoid making an impermissible gift.

Please contact events@flocksafety.com if you have any questions, or if you'd like to be invoiced to attend this event. Receipts will be available at the door.

Hi Brian Smith,
Below you will find a summary of upcoming activities related to your Flock Safety network.

Recent ActivityLocation NameStatusVisit TypeCompleted/Scheduled Date#05 - Gurnee Mills Cir. West
IslandScheduledInstallation9/14/2022#06 - Gurnee Mills Cir. East ShoulderScheduledInstallation9/14/2022

Status:

Scheduling: We are actively scheduling the technician visit - be that for a pre-installation site survey or the installation. Be on the lookout for the dispatched appointment within the next week or two.

Scheduled: Barring unforeseen circumstances, the technician will be onsite for your site survey or installation on this date.

Completed: The technician has completed the visit. Next step: the experts are in the process of confirming that your cameras are functioning properly (receiving adequate sunlight, connecting regularly to the cellular network, taking high-quality images, etc.). Once that part is complete, we will grant access to your camera footage.

Visit Types:

Site Survey: The technician will confirm that the locations previously agreed upon will work for the installation. The technician will place white flags at each location according to the plan you approved.

Installation: The technician will follow the plan based on the results of the site survey.

Maintenance: Our systems have identified an issue with your camera and a technician will be onsite to resolve the issue.

Stay Safe,Your Flock Safety Team

Chief Smith,

Receiving Hot List LPR Alerts in a timely manner is crucial.

Flock Safety delivers alerts in 10 to 15 seconds (on average).

[\[https://tellwise-sites.s3.amazonaws.com/img/usr/o-1032990315138531/u-1091991863206141/h-KFzRy83ksxARUme_crJh0w/o\]](https://tellwise-sites.s3.amazonaws.com/img/usr/o-1032990315138531/u-1091991863206141/h-KFzRy83ksxARUme_crJh0w/o)

omniQ delivers Hot List LPR Alerts in 100 milliseconds or less and with 99% accuracy

10 to 15 seconds on average (at what accuracy?) ? OR ? 100 MILLISECONDS or less at 99% ACCURACY?!? omniQ is the answer.

IMPORTANT Road Show CHANGES

Next week's road show (September 19-23) has been adjusted to a one on one meeting format at your facilities to offer greater scheduling flexibility and so you may include as many departmental and local officials as possible.

Please contact me directly to schedule your meeting. Breakfast, lunch, etc. is still available.

DO NOT show up to a previously scheduled hotel meeting room. I'll come to you.

Space is limited, so please RSVP here: https://info.flocksafety.com/e/892161/welcome-party/2mx159r/385437871?h=aGglKTxVMTDv4YhyH77AMk2HPZAsbNZX_f32kZB_Adc

Flock Safety is pleased to provide attendance at this event at no cost where appropriate under applicable laws. By attending this event and accepting transportation, food and refreshments (valued at approximately \$95 per person), attendees certify that they are able to do so in compliance with all applicable laws and the internal organizational policies. Flock may be required to report gifts or invoice attendees to avoid making an impermissible gift.

Please contact events@flocksafety.com if you have any questions, or if you'd like to be invoiced to attend this event. Receipts will be available at the door.

Hi Brian Smith,
Below you will find a summary of upcoming activities related to your Flock Safety network.

Recent ActivityLocation NameStatusVisit TypeCompleted/Scheduled Date#01 Hunt Club RD @ Westbrook LN
EBScheduledSite Survey9/27/2022

Status:

Scheduling: We are actively scheduling the technician visit - be that for a pre-installation site survey or the installation. Be on the lookout for the dispatched appointment within the next week or two.

Scheduled: Barring unforeseen circumstances, the technician will be onsite for your site survey or installation on this date.

Completed: The technician has completed the visit. Next step: the experts are in the process of confirming that your cameras are functioning properly (receiving adequate sunlight, connecting regularly to the cellular network, taking high-quality images, etc.). Once that part is complete, we will grant access to your camera footage.

Visit Types:

Site Survey: The technician will confirm that the locations previously agreed upon will work for the installation. The technician will place white flags at each location according to the plan you approved.

Installation: The technician will follow the plan based on the results of the site survey.

Maintenance: Our systems have identified an issue with your camera and a technician will be onsite to resolve the issue.

Stay Safe,Your Flock Safety Team

Hi Brian Smith,
Below you will find a summary of upcoming activities related to your Flock Safety network.

Recent ActivityLocation NameStatusVisit TypeCompleted/Scheduled Date#01 Hunt Club RD @ Westbrook LN
EBScheduledInstallation10/4/2022

Status:

Scheduling: We are actively scheduling the technician visit - be that for a pre-installation site survey or the installation. Be on the lookout for the dispatched appointment within the next week or two.

Scheduled: Barring unforeseen circumstances, the technician will be onsite for your site survey or installation on this date.

Completed: The technician has completed the visit. Next step: the experts are in the process of confirming that your cameras are functioning properly (receiving adequate sunlight, connecting regularly to the cellular network, taking high-quality images, etc.). Once that part is complete, we will grant access to your camera footage.

Visit Types:

Site Survey: The technician will confirm that the locations previously agreed upon will work for the installation. The technician will place white flags at each location according to the plan you approved.

Installation: The technician will follow the plan based on the results of the site survey.

Maintenance: Our systems have identified an issue with your camera and a technician will be onsite to resolve the issue.

Stay Safe,Your Flock Safety Team

Brian,

With the new user-friendly top navigation bar, you'll have faster, more intuitive access to the features you love and the data you need to do your job. Now your navigation tabs display feature names that better describe what they do:

Hot List is now ?Alerts?

Dispatch is now ?Map?

Cameras is now ?Devices?

Organization Management is now ?Admin?

Spend less time and energy clicking around to focus on solving crime. Explore the new experience today!

NBScheduledMaintenance - Complete Regular Maintenance11/8/2022#03 Gurnee Cir E @ Grand Ave
NBScheduledMaintenance - Complete Regular Maintenance11/8/2022#04 N. Creek Dr @ Stearns School Rd
SBScheduledMaintenance - Complete Regular Maintenance11/8/2022

Status:

Scheduling: We are actively scheduling the technician visit - be that for a pre-installation site survey or the installation. Be on the lookout for the dispatched appointment within the next week or two.

Scheduled: Barring unforeseen circumstances, the technician will be onsite for your site survey or installation on this date.

Completed: The technician has completed the visit. Next step: the experts are in the process of confirming that your cameras are functioning properly (receiving adequate sunlight, connecting regularly to the cellular network, taking high-quality images, etc.). Once that part is complete, we will grant access to your camera footage.

Visit Types:

Site Survey: The technician will confirm that the locations previously agreed upon will work for the installation. The technician will place white flags at each location according to the plan you approved.

Installation: The technician will follow the plan based on the results of the site survey.

Maintenance: Our systems have identified an issue with your camera and a technician will be onsite to resolve the issue.

Good Morning,

WGN-TV is doing a story this afternoon/evening on the Flock Safety system at Gurnee Mills and other Chicagoland areas.

Would Chief Brian Smith have 10 minutes to do an on-camera interview with us today?
Perhaps in the 2pm/3pm hour?

Thank you in advance for your consideration.

Shawn,

Attached are the sponsors for this years LCCPA golf event. Where it says no sign, that means do not order a new sign for them. Everyone else should have a new sign or banner. I will send the few logos that I received when I asked for new logos to up date the signs. All of the other ones should just have the name and town if indicated, printed on our new signs.

More to come.

Jeremy,

We're approved!

I've attached the fully executed MOU. Please have the Village accounting department send me an invoice for the \$25k and have Jon process it.

Please note, we would prefer to utilize Krause Electric for any electric hookups, where necessary. This is our preferred contractor, with preferred rates for Gurnee Mills. Please let me know if there are any concerns with this plan.

Let me know when FLOCK would like to conduct an onsite preconstruction meeting.

Thanks much!!

Memorandum of Understanding

This Memorandum of Understanding ("MOU") is between the Village of Gurnee ("Agency") and Mall at Gurnee Mills, LLC ("Owner").

Term: The effective date ("Effective Date") of this MOU shall be the last date that this MOU is executed either by Agency or Owner. This MOU shall begin as of the Effective Date and shall continue for one (1) year, unless as otherwise terminated as provided herein. This MOU will automatically renew for successive one (1) year terms unless either party terminates this MOU as provided herein.

Project Scope: Agency purchased six (6) Flock Safety Automatic License Plate Detectors (ALPR) that will be installed on Owner's shopping center property commonly known as the Gurnee Mills Mall located at 6170 W. Grand Avenue in Gurnee, Illinois 60031. The location of the ALPR must be approved in advance by Owner.

Access to Rights to Flock Services: Subject to the terms and conditions contained in this MOU, Flock has granted to Agency a non-exclusive, non-transferable right to access the features and functions of the Flock Service during the Term (as defined above), solely for use by Authorized Users. For purposes of this MOU, "Authorized Users" will mean employees, agents, or officers of Agency accessing or using the Flock Services. Agency acknowledges and agrees that Agency shall be responsible for all acts and omissions of Authorized Users, and any act or omission by an Authorized User which would constitute a breach of this MOU, shall be deemed a breach of this MOU by Agency. Agency shall undertake reasonable efforts to make all Authorized Users aware of the provisions of this MOU as applicable to such Authorized User's use of the Flock Service and shall cause Authorized Users to comply with such provisions. With the limited exception of traffic volume counts, Owner will not have access to the Flock Services or any information generated by and contained within the ALPR.

Owner agrees to:

- Allow employees of Flock Safety and Agency access to Owner's property at agreed upon times for installing, repairing, troubleshooting the detectors, and otherwise maintaining the ALPR. Owner shall not be responsible for any damage or loss to the ALPR.
- Reimburse Agency in the amount of \$25,000.00 for six (6) Flock Safety ALPRs. This is a onetime cost for the entire Term of the MOU as defined above.

Agency agrees to:

- Collect the funds from Owner to be deposited in the appropriate Village budget account.
- Maintain communication with Owner for the Term of this MOU for all purposes stated in this MOU.
- Upon request, Agency will provide Owner with traffic volume numbers from the ALPRs located on Owner's property.
- Provide periodic updates to Owner on relevant crime statistics to assess the effectiveness of the program.

Termination for convenience: Either party may terminate this MOU for convenience by giving thirty (30) days' prior written notice. Upon termination of this MOU, Agency agrees to remove the ALPR from Owner's property and will repair all damage caused by such removal.

IN WITNESS WHEREOF, the duly authorized representatives of the parties hereto have duly executed this MOU.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

I'm going to be giving all officers access to the FLOCK license plate reader software. In anticipation of the access, your Sergeants will be playing a FLOCK end-user training video for everyone to watch. This video will show you how to use the different options in the FLOCK system. There will be additional options in the video that even current officers with FLOCK access might not be aware of.

PEND LAW ENF PROC

DEPRIVE FAIR TRIAL

Over 50 police departments in Illinois use the FLOCK system like Schaumburg, Northbrook, and Naperville, with over 600 cameras available for our investigations. In Lake County, we currently have Waukegan with 20 cameras, Vernon Hills with 17 cameras, Zion with 16 cameras, and Mundelein and Libertyville have signed contracts and are pending installation. Waukegan's cameras should be operational shortly.

In collaboration with Gurnee Mills, we will install six cameras to capture all incoming traffic around the mall. The goal is for the cameras to be installed and operational by Black Friday. Please let me know if you have any questions or issues trying to use the system.

Hinsdale IL PD Investigations

Hinsdale IL PD has requested access to your IL - Gurnee Mills PD's Flock Safety camera footage for review in the event of a crime in your community. Granting them access now may lead to quicker results should a crime occur.

To share access to your cameras, you must add Hinsdale IL PD to your access list:

1. Open User Management
(<https://users.flocksafety.com>)
2. Click on the ?Share? button next to the networks list
3. In the ?Cameras to Share? dropdown, select the network you would like to share
4. In the ?Share with? dropdown, select Hinsdale IL PD
5. Click ?Save?

As the owner of your footage, you can revoke this access at any time. If you have questions or need further assistance, please reply to this message or email support@flocksafety.com.

Thanks for being a part of the Flock.

Everyone on the To: line should be receiving an invite to a web conference on March 21st at 3:15-4:00 for the Flock safety onboarding. This will be an introduction and give each of you access to run LPR searches using the Flock database. If you are working you can come back to investigations and join us on one of our laptops and if you are off during this time you can join from home and submit for overtime.

If you can't participate just let me know.

Thanks,

MEMORANDUM OF UNDERSTANDING

This Data Sharing Memorandum of Understanding (hereinafter “**MOU**”) is entered into by and between Flock Group, Inc. with a place of business at 2588 Winslow Drive, Atlanta, GA 30305 (“**Flock**”) and the Gurnee Police Department with a place of business at 100 N O'plaine Rd, Gurnee, Illinois 60031 (“**Agency**”) (each a “**Party**”, and together, the “**Parties**”).

Whereas, Agency desires to access Flock's technology platform and Flock Safety dashboard (together, the “**Flock Service**”) for investigative purposes, in order to view and search videos recorded by Flock (“**Recordings**”) which are stored for no longer than thirty (30) days, utilizing its software for automatic license plate detection;

Whereas, Flock desires to share such videos and supplemental data with Agency pursuant to the following terms and conditions:

1. **Purpose.** To allow the Agency to utilize the Flock Services for the following purpose: to gain awareness with respect to the communities for which they serve to protect and facilitate investigations (the “Purpose”).
2. **Access Rights to Flock Services.** Subject to the terms and conditions contained in this MOU, Flock hereby grants to Agency a non-exclusive, non-transferable right to access the features and functions of the Flock Service during the Term (as defined below), solely for use by Authorized Users in accordance with the terms and conditions herein. For purposes of this MOU, “Authorized Users” will mean employees, agents, or officers of Agency accessing or using the Flock Services for the Purpose. Agency acknowledges and agrees that, as between Agency and Flock, Agency shall be responsible for all acts and omissions of Authorized Users, and any act or omission by an Authorized User which would constitute a breach of this MOU, shall be deemed a breach of this MOU by Agency. Agency shall undertake reasonable efforts to make all Authorized Users aware of the provisions of this MOU as applicable to such Authorized User's use of the Flock Service, and shall cause Authorized Users to comply with such provisions.
3. **Restrictions on Use.** Agency will not, and will not permit any Authorized Users or any third party to, (i) copy or duplicate any of the Flock Service; (ii) decompile, disassemble, reverse engineer or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock Service is compiled or interpreted; (iii) modify, alter, or tamper with any of the Flock Service, or create any derivative product from any of the foregoing; (iv)

interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock Service; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Flock Service; or (vi) assign, sublicense, sell, resell, lease, rent or otherwise transfer or convey, or pledge as security or otherwise encumber, Agency's rights under Sections 2. Agency may only access Recordings and Flock Service to perform the Purpose, as described in Section 1. Agency shall not use the Flock Service in any manner not permitted by appropriate governing Federal and State regulations or laws; Agency represents and warrants that, in receiving access to Flock Services, such video and supplemental data shall be used solely for purposes authorized by law and described in this MOU.

4. **Ownership.** As between the Parties, subject to the rights granted in this MOU, Flock and its licensors retain all right, title and interest in and to the Flock Service, and its components and any Recordings or data provided by Flock through the Flock Service, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this MOU. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

5. **Warranty.** Flock and its licensors make no express or implied warranty as to the conditions of the Recordings, or fitness for a particular research, data, investigative purpose or resulting actions or omissions resulting from videos and supplemental data obtained by Agency through the use of Flock Services.

6. **Financial Implications to Agency.** No financial commitment by Agency is required to access the Flock Services or Recordings.

7. **Term; Termination.**

A. **Term.** This MOU will commence once executed by both parties and shall continue for a period of Five (5) years.

B. **Termination.** Prior to expiration of the Term, Flock may terminate this MOU for its convenience, and in its sole discretion, by providing Agency thirty (30) days prior written notice of termination. Agency may terminate this MOU for its convenience, and in its sole discretion, by providing Flock ninety (90) days prior written notice of termination. Either party may terminate this MOU upon written notice if the other party has breached a material term of this MOU and has not cured such breach within thirty (30) days of receipt of notice from the non-breaching party specifying the breach. Upon termination of this MOU, Agency will

immediately cease all use of Flock Services. This MOU is subject to termination without written notice after expiration of the Term.

8. Indemnification. Each Party to this MOU shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this MOU. Parties shall indemnify and hold harmless each other against any suits, claims, actions, complaints, or liability of any kind, which relate to the use of or reliance on Flock Service. For tort liability purposes, no participating Party shall be considered the agent of the other participating Party. Each Party to this MOU shall be liable (if at all) only for the torts of its own officers, agents, or employees that occur within the scope of their official duties. Under no circumstances shall this MOU be interpreted to create a partnership or agency relationship between the Parties.

9. Limitation of Liability.

A. Limitation on Direct Damages. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL FLOCK, ITS OFFICERS, DIRECTORS, AGENTS, EMPLOYEES OR REPRESENTATIVES BE LIABLE FOR ANY AMOUNT GREATER THAN THE FEES PAID TO FLOCK UNDER THIS MOU, OR \$100 IN UNITED STATES CURRENCY, WHICHEVER IS GREATER, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), PRODUCT LIABILITY OR OTHERWISE.

B. Waiver of Consequential Damages. IN NO EVENT SHALL FLOCK OR ITS LICENSORS OR SUPPLIERS BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF DATA OR LOSS OF PROFITS, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE, EVEN IF FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

10. Confidentiality.

A. Obligations. During the performance of services and Agency's use of the Flock Service under this Agreement it may be necessary for a party to provide the other with certain information considered to be proprietary or confidential by the disclosing party. The disclosure of such confidential information shall be subject to the following terms and conditions.

i. The term "Agency Confidential Information" shall mean any material, data, systems, procedures and other information of or with respect to Agency that is not be accessible or known to the general public, including information concerning its hardware, software, business plans or opportunities, business strategies, finances, employees, and third-party proprietary or other information that Agency treats as confidential. Flock shall not use, publish or divulge any Agency Confidential Information except (i) in connection with Flock's provision of Software and services pursuant to this Agreement, (ii) to Flock's officers, directors, employees, agents and contractors who need to know such information to enable Flock to provide Software and services pursuant to this Agreement, or (iii) with the prior written consent of Agency, which consent Agency may withhold in its sole discretion.

ii. The term "Flock Confidential Information" means any material, data, systems, procedures and other information of or with respect to Flock that is not accessible to or known to the general public, including, without limitation, the software, object code, source code, formulae, algorithms, financial data, clients, employees, software development plans, software support third-party proprietary or other information that Flock treats as confidential. Agency shall not use, publish or divulge any Flock Confidential Information except (i) to its employees, agents and officers who need to know such information to enable Agency to use the Flock Services, or (ii) with the prior written consent of Flock, which consent Flock may withhold in its sole discretion.

iii. Each party shall protect the other's confidential information with the same degree of care normally used to protect its own similar confidential information, but in no event less than that degree of care that a reasonably prudent business person would use to protect such information. The obligations of each party to protect confidential information received from the other party shall not apply to information that is publicly known or becomes publicly known through no act or failure to act on the part of the recipient. All provisions of this MOU concerning the Confidentiality section herein, shall survive any termination of this MOU.

B. Exclusions. Confidential Information shall not include any information that is (i) already known to the receiving party at the time of the disclosure; (ii) publicly known at the time of the disclosure or becomes publicly known through no wrongful act or failure of the receiving party; (iii) subsequently disclosed to the receiving party on a non-confidential basis by a third-party not having a confidential relationship with the other party hereto that rightfully acquired such information; or (iv) communicated to a third party by the receiving party with the express written consent of the other party hereto. A disclosure of Confidential Information that is legally compelled to be disclosed pursuant to a subpoena, summons, order or other judicial or governmental process or the Freedom of Information Act shall not be considered a breach

of this MOU; provided the receiving party provides prompt notice of any such subpoena, order, or the like to the other party so that such party will have the opportunity to obtain a protective order or otherwise oppose the disclosure.

11. **Entire Agreement.** This MOU is complete and contains the entire understanding between the Parties relating to the sharing of Recordings and Confidential Data by and between Flock and Agency. This MOU supersedes any and all other agreements between the Parties. This Agreement is non-assignable by both Parties.

12. **Severability.** Nothing in this MOU is intended to conflict with or violate State or Federal laws, regulations, policies, etc. If a term or provision of this MOU is inconsistent with a law or authority, then that term or provision shall be invalid, but the remaining terms and provisions shall remain in full force and effect. If any provision of this MOU is found to be unenforceable, unlawful, or void, the provision shall be deemed severable from the MOU and shall not affect the validity of the remaining provisions.

13. **Miscellaneous.** All notices, requests, demands, or other communications required or permitted to be given hereunder must be in writing and must be addressed to the parties at their respective addresses set forth below and shall be deemed to have been duly given when (a) delivered in person; (b) sent by facsimile transmission To the facsimile number below and indicating receipt at the facsimile number where sent; (c) one (1) business day after being deposited with a reputable overnight air courier service; or (d) three (3) business days after being deposited with the United States Postal Service, for delivery by certified or registered mail, postage pre-paid and return receipt requested. This MOU shall be governed by the laws of the state in which the Agency is located, excluding its conflict of laws rules. The parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this MOU.

IN WITNESS WHEREOF, Flock and the Agency have caused this MOU to be signed on the date set forth below and be effective on the last date specified below.

Agency shall undertake reasonable efforts to make all Authorized Users aware of the provisions of this MOU as applicable to such Authorized User's use of the Flock Service, and shall cause Authorized Users to comply with such provisions.
3. **Restrictions on Use.** Agency will not, and will not permit any Authorized Users or any third party to, (i) copy or duplicate any of the Flock Service; (ii) decompile, disassemble, reverse engineer or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock Service is compiled or interpreted; (iii) modify, alter, or tamper with any of the Flock Service, or create any derivative product from any of the foregoing; (iv)

interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock Service; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Flock Service; or (vi) assign, sublicense, sell, resell, lease, rent or otherwise transfer or convey, or pledge as security or otherwise encumber, Agency's rights under Sections 2. Agency may only access Recordings and Flock Service to perform the Purpose, as described in Section 1. Agency shall not use the Flock Service in any manner not permitted by appropriate governing Federal and State regulations or laws; Agency represents and warrants that, in receiving access to Flock Services, such video and supplemental data shall be used solely for purposes authorized by law and described in this MOU.

4. **Ownership.** As between the Parties, subject to the rights granted in this MOU, Flock and its licensors retain all right, title and interest in and to the Flock Service, and its components and any Recordings or data provided by Flock through the Flock Service, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this MOU. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. There are no implied rights.

5. **Warranty.** Flock and its licensors make no express or implied warranty as to the conditions of the Recordings, or fitness for a particular research, data, investigative purpose or resulting actions or omissions resulting from videos and supplemental data obtained by Agency through the use of Flock Services.

6. **Financial Implications to Agency.** No financial commitment by Agency is required to access the Flock Services or Recordings.

7. **Term; Termination.**

A. **Term.** This MOU will commence once executed by both parties and shall continue for a period of Five (5) years.

B. **Termination.** Prior to expiration of the Term, Flock may terminate this MOU for its convenience, and in its sole discretion, by providing Agency thirty (30) days prior written notice of termination. Agency may terminate this MOU for its convenience, and in its sole discretion, by providing Flock ninety (90) days prior written notice of termination. Either party may terminate this MOU upon written notice if the other party has breached a material term of this MOU and has not cured such breach within thirty (30) days of receipt of notice from the non-breaching party specifying the breach. Upon termination of this MOU, Agency will

immediately cease all use of Flock Services. This MOU is subject to termination without written notice after expiration of the Term.

8. Indemnification. Each Party to this MOU shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this MOU. Parties shall indemnify and hold harmless each other against any suits, claims, actions, complaints, or liability of any kind, which relate to the use of or reliance on Flock Service. For tort liability purposes, no participating Party shall be considered the agent of the other participating Party. Each Party to this MOU shall be liable (if at all) only for the torts of its own officers, agents, or employees that occur within the scope of their official duties. Under no circumstances shall this MOU be interpreted to create a partnership or agency relationship between the Parties.

9. Limitation of Liability.

A. Limitation on Direct Damages. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL FLOCK, ITS OFFICERS, DIRECTORS, AGENTS, EMPLOYEES OR REPRESENTATIVES BE LIABLE FOR ANY AMOUNT GREATER THAN THE FEES PAID TO FLOCK UNDER THIS MOU, OR \$100 IN UNITED STATES CURRENCY, WHICHEVER IS GREATER, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), PRODUCT LIABILITY OR OTHERWISE.

B. Waiver of Consequential Damages. IN NO EVENT SHALL FLOCK OR ITS LICENSORS OR SUPPLIERS BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF DATA OR LOSS OF PROFITS, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE, EVEN IF FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

10. Confidentiality.

A. Obligations. During the performance of services and Agency's use of the Flock Service under this Agreement it may be necessary for a party to provide the other with certain information considered to be proprietary or confidential by the disclosing party. The disclosure of such confidential information shall be subject to the following terms and conditions.

i. The term "Agency Confidential Information" shall mean any material, data, systems, procedures and other information of or with respect to Agency that is not be accessible or known to the general public, including information concerning its hardware, software, business plans or opportunities, business strategies, finances, employees, and third-party proprietary or other information that Agency treats as confidential. Flock shall not use, publish or divulge any Agency Confidential Information except (i) in connection with Flock's provision of Software and services pursuant to this Agreement, (ii) to Flock's officers, directors, employees, agents and contractors who need to know such information to enable Flock to provide Software and services pursuant to this Agreement, or (iii) with the prior written consent of Agency, which consent Agency may withhold in its sole discretion.

ii. The term "Flock Confidential Information" means any material, data, systems, procedures and other information of or with respect to Flock that is not accessible to or known to the general public, including, without limitation, the software, object code, source code, formulae, algorithms, financial data, clients, employees, software development plans, software support third-party proprietary or other information that Flock treats as confidential. Agency shall not use, publish or divulge any Flock Confidential Information except (i) to its employees, agents and officers who need to know such information to enable Agency to use the Flock Services, or (ii) with the prior written consent of Flock, which consent Flock may withhold in its sole discretion.

iii. Each party shall protect the other's confidential information with the same degree of care normally used to protect its own similar confidential information, but in no event less than that degree of care that a reasonably prudent business person would use to protect such information. The obligations of each party to protect confidential information received from the other party shall not apply to information that is publicly known or becomes publicly known through no act or failure to act on the part of the recipient. All provisions of this MOU concerning the Confidentiality section herein, shall survive any termination of this MOU.

B. Exclusions. Confidential Information shall not include any information that is (i) already known to the receiving party at the time of the disclosure; (ii) publicly known at the time of the disclosure or becomes publicly known through no wrongful act or failure of the receiving party; (iii) subsequently disclosed to the receiving party on a non-confidential basis by a third-party not having a confidential relationship with the other party hereto that rightfully acquired such information; or (iv) communicated to a third party by the receiving party with the express written consent of the other party hereto. A disclosure of Confidential Information that is legally compelled to be disclosed pursuant to a subpoena, summons, order or other judicial or governmental process or the Freedom of Information Act shall not be considered a breach

of this MOU; provided the receiving party provides prompt notice of any such subpoena, order, or the like to the other party so that such party will have the opportunity to obtain a protective order or otherwise oppose the disclosure.

11. **Entire Agreement.** This MOU is complete and contains the entire understanding between the Parties relating to the sharing of Recordings and Confidential Data by and between Flock and Agency. This MOU supersedes any and all other agreements between the Parties. This Agreement is non-assignable by both Parties.

12. **Severability.** Nothing in this MOU is intended to conflict with or violate State or Federal laws, regulations, policies, etc. If a term or provision of this MOU is inconsistent with a law or authority, then that term or provision shall be invalid, but the remaining terms and provisions shall remain in full force and effect. If any provision of this MOU is found to be unenforceable, unlawful, or void, the provision shall be deemed severable from the MOU and shall not affect the validity of the remaining provisions.

13. **Miscellaneous.** All notices, requests, demands, or other communications required or permitted to be given hereunder must be in writing and must be addressed to the parties at their respective addresses set forth below and shall be deemed to have been duly given when (a) delivered in person; (b) sent by facsimile transmission To the facsimile number below and indicating receipt at the facsimile number where sent; (c) one (1) business day after being deposited with a reputable overnight air courier service; or (d) three (3) business days after being deposited with the United States Postal Service, for delivery by certified or registered mail, postage pre-paid and return receipt requested. This MOU shall be governed by the laws of the state in which the Agency is located, excluding its conflict of laws rules. The parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this MOU.

IN WITNESS WHEREOF, Flock and the Agency have caused this MOU to be signed on the date set forth below and be effective on the last date specified below.

Commander,

It's been a little while since we last spoke and I wanted to see if you had a couple minutes for a quick call to sync up on what your plans were for LPR.

I've got some time later today, or early tomorrow.

Please let me know what works for you.

Jeremy,

Based on Jeff's response, Hitzelburger attended a Flock class on 3/21. Apparently, Stashkiw and others may have as well. Is there any info on this training that I can use to create a course in ICIS so the training can be document? Or is it not needed??

John
>>> Jeff Hauptman 5/25/2022 6:32 PM >>>
John,

I entered two of the three (see my notes below). For the training on 3/21 it was a web class for the Flock camera system. This was an invite only class.....mostly investigations and a few select officers.....I wasn't invited so I have no records of who actually attended or who the vendor was.

I tried looking to see if anyone (whom I guess would have gone) had similar entries into ICIS and could not locate any. Also, tried blind searching your data base for a class and came up empty.

Hitting a wall on this one.

Jeff

Any update on entering Hitzelburger's training?
JP
>>> John Petersen 5/5/2022 2:00 PM >>>

Hello,

The training listed in InTime for March (see attached) was review today.
The following training entries did not have a corresponding training entry in ICIS.
Please review and add the info into ICIS as necessary.
If one is not necessary, please let me know so I can take it off my list.

Thank you,
John

Hello,

Thank you for your interest in our newly announced Wing Suite Integration! We have a team ready to get you set up with your 4 Free Wing Cameras, but they do need a few things from you:

Camera Name
Camera Model
RTSP Link (Camera IP Address)
Latitude
Longitude

Pro Tip: You will want to identify options that are in close proximity to your current Falcon coverage.

Step 1: Sign Up to express your agency's interest in the Wing Integration here
(<https://refer.flocksafety.com/wingpromo/>) .

Step 2: If you have the above information, please click here to share with our setup team!
(<https://www.jotform.com/221534660016043>)

If you have any questions or want to discuss any further, please click here
(<https://calendly.com/michael-hutton1/wing-integration-initial-meeting>) to schedule a Discovery Call with me.

Thank you for your time and it was great to virtually meet you! I am very excited to get your agency up and running with Flock Safety. My role as your Customer Success Manager is to get your agency's account set up, make sure you and your officers are fully trained in the use of Flock Safety, and to check in roughly once a quarter to ensure that you are getting the most out of your Flock Safety experience.

Just so we can hit the ground running when your cameras get installed I have attached the LEADS MOU.

If you would like to get access to LEADS and/or Illinois SOS as hotlist sources you will need to complete this LEADS MOU, contact Sgt Puralewski with the South Barrington Police Department (apuralewski@southbarrington.org) for the official copy of the criminal history response to be sent with the MOU, and then submit it to the Illinois State Police (Charles.Caudill2@illinois.gov). Once that has been accepted, I can enable LEADS and SOS as hotlist sources.

For this section in the MOU please fill it out with the following information

3. Provide the name and address(es) of vendor(s) involved:

Name(s): Flock Safety
Address: 1170 Howell Mill Rd NW UNIT 210, Atlanta, GA 30318
Phone: 866-901-1781 Email: support@flocksafety.com
Vendor Representative Name(s): Michael Hutton

Once your cameras go in the ground I will be your main point of contact for all things Flock. If you have questions about your deployment, permit status, or installation timeline, please reach out to @Nicholas Mombello (<mailto:nick.mombello@flocksafety.com>) .

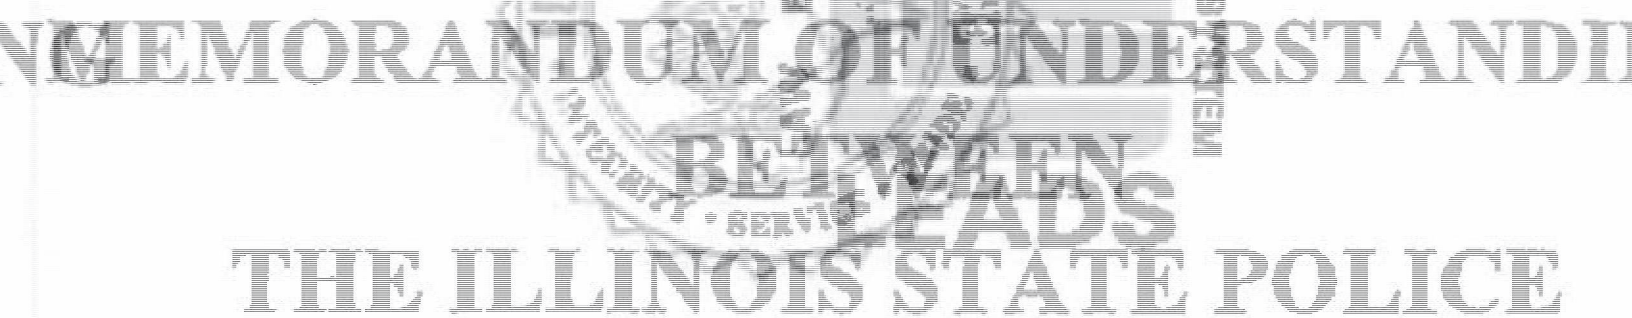

I have also attached the end user training video. If you need any further training or have any questions post installation please let me know!

I'm going to be giving all officers access to the FLOCK license plate reader software. In anticipation of the access, your Sergeants will be playing a FLOCK end-user training video for everyone to watch. This video will show you how to use the different options in the FLOCK system. There will be additional options in the video that even current officers with FLOCK access might not be aware of.

PEND LAW ENF PROC

DEPRIVE FAIR TRIAL

Over 50 police departments in Illinois use the FLOCK system like Schaumburg, Northbrook, and Naperville, with over 600 cameras available for our investigations. In Lake County, we currently have Waukegan with 20 cameras, Vernon Hills with 17 cameras, Zion with 16 cameras, and Mundelein and Libertyville have signed contracts and are pending installation. Waukegan's cameras should be operational shortly.

In collaboration with Gurnee Mills, we will install six cameras to capture all incoming traffic around the mall. The goal is for the cameras to be installed and operational by Black Friday. Please let me know if you have any questions or issues trying to use the system.

Absolutely! Sorry about that. The camera name has been changed. Commander, I know we had the kickoff call a few weeks ago and we did the Admin training back in May I believe, are you all feeling good about using the system? I am happy to set something up if you feel like anyone at your agency may benefit from some additional training.

Can you change our camera names to Gurnee IL PD

Currently it says: IL - Gurnee Mills PD, which is not a police department. We own the cameras not Gurnee Mills Mall.

Hi there,

We received an alert regarding power connectivity from Flock Safety camera #02 Gurnee Mills Cir W @ Grand Ave NB at IL - Gurnee. At your earliest convenience, could you please help ensure that power is flowing normally to the AC box?

Please follow the below steps to check your power source and prevent prolonged camera downtime.

Confirm the red light is glowing on the rectangular box that feeds a wire to the camera: ? If the Red light is not lit (Off), please have a professional check your incoming power for potential issues such as a tripped circuit breaker or damaged power line. Please look carefully as the light can be faint in daylight.

? If the Red light is lit (On), please reply to this message or email Flock Safety via support@flocksafety.com and let our team know so that we can send a technician out to troubleshoot.

Note: Some models have a Green light; if this is the case, please report whether it is On or Off.

Thank you for your assistance, and stay safe,

Requesting access to assist in investigations and domain awareness. Willing to reciprocate upon request. Milwaukee WI PD - STAC has requested access to your IL - Gurnee IL PD's Flock Safety camera footage for review in the event of a crime in your community. Granting them access now may lead to quicker results should a crime occur.

To share access to your cameras, you must add Milwaukee WI PD - STAC to your access list:

1. Open User Management
(<https://users.flocksafety.com>)
2. Click on the ?Share? button next to the networks list
3. In the ?Cameras to Share? dropdown, select the network you would like to share
4. In the ?Share with? dropdown, select Milwaukee WI PD - STAC
5. Click ?Save?

As the owner of your footage, you can revoke this access at any time. If you have questions or need further assistance, please reply to this message or email support@flocksafety.com.

Good morning!,

I'm not sure if this issue has been brought to your attention about Illinois truck plates. Illinois truck plates have a "B" or "C" at the end in red, depending on their weight. A few years ago, Illinois State Police required dispatchers to enter that "B" or "C" into LEADS as part of the plate if the vehicle is stolen. This causes a problem because FLOCK is not reading the B or C on the plates.

PEND LAW ENF PROC

Can you pass this on to your tech team because, as of right now, FLOCK will only identify cars and older trucks, none of the new truck license plates with the red letter. I attached pictures including the one from FLOCK.

Thanks,

Jeremy

Commander Gaughan,

Thank you for your time today. As we discussed I would like to introduce @Demetrius Frazier (<mailto:dee.frazier@flocksafety.com>) who works with schools and school districts to get Flock products in your area at no cost to you. Also as you are planning on doing a press release next week I would like to introduce @Holly Beilin (<mailto:holly.beilin@flocksafety.com>) who is a Senior Manager on our Content and Communications team. Holly can help you in crafting your statement if you would like.

I will also be diving into the B-Truck Plate issue and work on getting you a Falcon Flex test unit as soon as possible. Also as requested I have attached the training video below. If you have any questions or need anything from me please let me know.

Have a great day and please stay safe,

Everyone on the To: line should be receiving an invite to a web conference on March 21st at 3:15-4:00 for the Flock safety onboarding. This will be an introduction and give each of you access to run LPR searches using the Flock database. If you are working you can come back to investigations and join us on one of our laptops and if you are off during this time you can join from home and submit for overtime.

If you can't participate just let me know.

Thanks,

Jeremy,

Based on Jeff's response, Hitzelburger attended a Flock class on 3/21. Apparently, Stashkiw and others may have as well. Is there any info on this training that I can use to create a course in ICIS so the training can be document? Or is it not needed??

John
>>> Jeff Hauptman 5/25/2022 6:32 PM >>>
John,

I entered two of the three (see my notes below). For the training on 3/21 it was a web class for the Flock camera system. This was an invite only class.....mostly investigations and a few select officers.....I wasn't invited so I have no records of who actually attended or who the vendor was.

I tried looking to see if anyone (whom I guess would have gone) had similar entries into ICIS and could not locate any. Also, tried blind searching your data base for a class and came up empty.

Hitting a wall on this one.

Jeff

Hi Jeff,
Any update on entering Hitzelburger's training?
JP
>>> John Petersen 5/5/2022 2:00 PM >>>

Hello,

The training listed in InTime for March (see attached) was review today.
The following training entries did not have a corresponding training entry in ICIS.
Please review and add the info into ICIS as necessary.
If one is not necessary, please let me know so I can take it off my list.

Thank you,
John

My name is John Webb. I am the Director of the Cook County Sheriff's Fugitive Apprehension Unit. I am also a TFO with the US Marshals GLRFTF. We are requesting access to your Flock cameras to aid us in locating wanted Fugitives that may be picked up by your LPR's. If you can add the Cook County Sheriff's Office to your share list it would be greatly appreciated. If you have any questions you can contact me via cell at 312-505-0441 or John.Webb@ccsheriff.org. Thank you.

Cook County IL Sheriff's PD has requested access to your IL - Gurnee IL PD's Flock Safety camera footage for review in the event of a crime in your community. Granting them access now may lead to quicker results should a crime occur.

To share access to your cameras, you must add Cook County IL Sheriff's PD to your access list:

1. Open User Management
(<https://users.flocksafety.com>)
2. Click on the ?Share? button next to the networks list
3. In the ?Cameras to Share? dropdown, select the network you would like to share
4. In the ?Share with? dropdown, select Cook County IL Sheriff's PD
5. Click ?Save?

As the owner of your footage, you can revoke this access at any time. If you have questions or need further assistance, please reply to this message or email support@flocksafety.com.

Thanks for being a part of the Flock.

Trauma care starts when first responders arrive on the scene

Trauma care doesn't really start when the patient hits the door here at DHR Health. It starts when emergency medical services ? the pre-hospital providers like EMTs, paramedics, fire departments, police officers ? arrive at the scene," says Dr. Jeffrey Skubic, Trauma Medical Director with DHR Health. Read more about why Dr. Skubic believes communication is critical to his trauma teams and why DHR Health is on FirstNet.

Dr. Jeffrey Skubic, Trauma Medical Director

Trauma care starts when first responders arrive on the scene

Trauma care doesn't really start when the patient hits the door here at DHR Health. It starts when emergency medical services ? the pre-hospital providers like EMTs, paramedics, fire departments, police officers ? arrive at the scene," says Dr. Jeffrey Skubic, Trauma Medical Director with DHR Health. Read more about why Dr. Skubic believes communication is critical to his trauma teams and why DHR Health is on FirstNet.

Making mindfulness a part of your everyday operations

Responders have a direct line to what is happening in the community. We don't get the call because people are having a great time. And we witness the worst of human experience," says Rhonda Kelly, Executive Director of the All Clear Foundation. Read more about why it's important for first responders to practice mindfulness and focus on what matters. And learn about the tools and resources designed specifically for them.

Village Board Approves 2023 - 2026 Strategic Plan

At Monday's Village Board meeting, the Village Board approved the 2023 - 2026 Strategic Plan. The planning efforts began earlier this year with variety of measures including a community survey, an internal stakeholder survey, six focus groups, and more. These efforts resulted in 6 Key Strategic Priorities: Fiscal Sustainability, Well-Maintained Infrastructure, Effective Communication, a Stable, Well-Trained Workforce, a Safe Community, and Lifestyle Vitality.

These strategic priorities were further built upon to include specific initiatives and action plans. The public is encouraged to view the Strategic Plan at shorturl.at/QU079 (<http://shorturl.at/QU079>)

[fbclid=IwAR18_EgCoJXO9NdmQh62qRLpuH_Tqmv3V2CwJasl7uaSSSR02r2_8_UXLG0&utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-387437869](http://www.gurnee.il.us/?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-387437869)) as these initiatives and their results are expected to have a meaningful impact to the community.

Tom's Tours Visits Gurnee Mills

Tom's Tours spent the morning at Gurnee Mills for a behind-the-scenes look at some exciting initiatives and, more importantly, as they prepare for Santa's arrival on November 30th! From pictures with Santa to holiday performances, and everything in between, Gurnee Mills has a store and event for everyone this holiday season and all year round. For a full list of holiday events and happenings, follow Gurnee Mills on Facebook or check out their website at www.GurneeMills.com.

(http://www.GurneeMills.com?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-387437869)

During Tom's Tours, Mayor Hood, Trustee Ross, Trustee O'Brien, Lake County Board Member Carissa Casbon, and staff also received a comprehensive introduction to the newly installed Flock Safety System; a public safety operating system that helps law enforcement in thousands of communities work together to prevent and solve crime.

Did you know that Gurnee Mills is leading the way in regards to sustainability with the Simon Corporation? The newly installed moss water filtration system not only reduces their reliance on electricity but also saves approximately five million gallons of water a year. With the filtration system, Mother Nature does the work to clean water coming into the central plant. Say good-bye to chemicals.

The Village of Gurnee would like thank Randy Ebertowski the General Manager, Tim Ryter the Director of Operations, Kelsey Castrejon the Director of Marketing & Business Development, Peter LeBlanc the Maintenance Supervisor, and Officer Gullifor for hosting!

Leaf Collection Program Update: Waste Management Delayed

Waste Management is currently delayed by one week for leaf vacuum service and anticipates to catch up through the coming weeks. On November 21st, Waste Management plans to continue with leaf vacuum service for west side of Gurnee (Area West of I-94). Please remain patient during the early weeks of leaf vacuum collection. The combination of a large amount of leaves falling very early this year has resulted in a large amount of leaves already at the curb for collection.

We encourage residents to bag leaves if possible as Waste Management will pick up bagged leaves on a weekly basis free of charge. There is no limit to the number of bags that can be placed at the curb. The annual program concludes December 17th.

Additional information on the leaf collection program can be found at: [https://www.gurnee.il.us/residents/recycling/leaf-collection?](https://www.gurnee.il.us/residents/recycling/leaf-collection?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-387437869)

Village Board Approves 2023 - 2026 Strategic Plan

At Monday's Village Board meeting, the Village Board approved the 2023 - 2026 Strategic Plan. The planning efforts began earlier this year with variety of measures including a community survey, an internal stakeholder survey, six focus groups, and more. These efforts resulted in 6 Key Strategic Priorities: Fiscal Sustainability, Well-Maintained Infrastructure, Effective Communication, a Stable, Well-Trained Workforce, a Safe Community, and Lifestyle Vitality.

These strategic priorities were further built upon to include specific initiatives and action plans. The public is encouraged to view the Strategic Plan at shorturl.at/QU079 (<http://shorturl.at/QU079>)

Tom's Tours Visits Gurnee Mills

Tom's Tours spent the morning at Gurnee Mills for a behind-the-scenes look at some exciting initiatives and, more importantly, as they prepare for Santa's arrival on November 30th! From pictures with Santa to holiday performances, and everything in between, Gurnee Mills has a store and event for everyone this holiday season and all year round. For a full list of holiday events and happenings, follow Gurnee Mills on Facebook or check out their website at www.GurneeMills.com.
(http://www.GurneeMills.com?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-387437869)

During Tom's Tours, Mayor Hood, Trustee Ross, Trustee O'Brien, Lake County Board Member Carissa Casbon, and staff also received a comprehensive introduction to the newly installed Flock Safety System; a public safety operating system that helps law enforcement in thousands of communities work together to prevent and solve crime.

Did you know that Gurnee Mills is leading the way in regards to sustainability with the Simon Corporation? The newly installed moss water filtration system not only reduces their reliance on electricity but also saves approximately five million gallons of water a year. With the filtration system, Mother Nature does the work to clean water coming into the central plant. Say good-bye to chemicals.

The Village of Gurnee would like thank Randy Ebertowski the General Manager, Tim Ryter the Director of Operations, Kelsey Castrejon the Director of Marketing & Business Development, Peter LeBlanc the Maintenance Supervisor, and Officer Gullifor for hosting!

If you are a business owner or operator in the Village of Gurnee and are interested in a Tom's Tour, please go to gurnee.il.us/tomtours (http://www.gurnee.il.us/tomtours?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-387437869) .

The combination of a large amount of leaves falling very early this year has resulted in a large amount of leaves already at the curb for collection.

We encourage residents to bag leaves if possible as Waste Management will pick up bagged leaves on a weekly basis free of charge. There is no limit to the number of bags that can be placed at the curb. The annual program concludes December 17th.

Additional information on the leaf collection program can be found at: https://www.gurnee.il.us/residents/recycling/leaf-collection?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-387437869.

Village Board Approves 2023 - 2026 Strategic Plan

At Monday's Village Board meeting, the Village Board approved the 2023 - 2026 Strategic Plan. The planning efforts began earlier this year with variety of measures including a community survey, an internal stakeholder survey, six focus groups, and more. These efforts resulted in 6 Key Strategic Priorities: Fiscal Sustainability, Well-Maintained Infrastructure, Effective Communication, a Stable, Well-Trained Workforce, a Safe Community, and Lifestyle Vitality.

These strategic priorities were further built upon to include specific initiatives and action plans. The public is encouraged to view the Strategic Plan at shorturl.at/QU079 (<http://shorturl.at/QU079>)

Tom's Tours Visits Gurnee Mills

Tom's Tours spent the morning at Gurnee Mills for a behind-the-scenes look at some exciting initiatives and, more importantly, as they prepare for Santa's arrival on November 30th! From pictures with Santa to holiday performances, and everything in between, Gurnee Mills has a store and event for everyone this holiday season and all year round. For a full list of holiday events and happenings, follow Gurnee Mills on Facebook or check out their website at www.GurneeMills.com.
(http://www.GurneeMills.com?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-387437869)

During Tom's Tours, Mayor Hood, Trustee Ross, Trustee O'Brien, Lake County Board Member Carissa Casbon, and staff also received a comprehensive introduction to the newly installed Flock Safety System; a public safety operating system that helps law enforcement in thousands of communities work together to prevent and solve crime.

Did you know that Gurnee Mills is leading the way in regards to sustainability with the Simon Corporation? The newly installed moss water filtration system not only reduces their reliance on electricity but also saves approximately five million gallons of water a year. With the filtration system, Mother Nature does the work to clean water coming into the central plant. Say good-bye to chemicals.

The Village of Gurnee would like thank Randy Ebertowski the General Manager, Tim Ryter the Director of Operations, Kelsey Castrejon the Director of Marketing & Business Development, Peter LeBlanc the Maintenance Supervisor, and Officer Gullifor for hosting!

If you are a business owner or operator in the Village of Gurnee and are interested in a Tom's Tour, please go to gurnee.il.us/tomtours

Leaf Collection Program Update: Waste Management Delayed

Waste Management is currently delayed by one week for leaf vacuum service and anticipates to catch up through the coming weeks. On November 21st, Waste Management plans to continue with leaf vacuum service for west side of Gurnee (Area West of I-94). Please remain patient during the early weeks of leaf vacuum collection. The combination of a large amount of leaves falling very early this year has resulted in a large amount of leaves already at the curb for collection.

We encourage residents to bag leaves if possible as Waste Management will pick up bagged leaves on a weekly basis free of charge. There is no limit to the number of bags that can be placed at the curb. The annual program concludes December 17th.

Additional information on the leaf collection program can be found at: https://www.gurnee.il.us/residents/recycling/leaf-collection?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdb65e9-cdfd8272a8-387437869.

GURNEE - The Gurnee Police Department has partnered with Gurnee Mills to enhance security measures at the area's largest shopping center. Increasing safety for shoppers and employees is a top priority, prompting Gurnee Mills to add the Flock Safety Automated License Plate Reader (ALPR) system on September 13, 2022. Since its installation two months ago, Gurnee Police have made seven arrests and recovered four stolen vehicles with the assistance of the ALPR system. Earlier this year, Gurnee Mills participated in the Community Partnership for Safety program by donating money for a new police canine; they are expanding their participation with the installation of the Flock Safety cameras.

The cameras proactively prevent crime by sending a real-time alert to law enforcement when a stolen car or known wanted suspect from a state or national crime database enters the jurisdiction. The system can also send alerts if a vehicle associated with a missing person in an AMBER or Silver Alert is detected.

The ALPR system is just one example of how other Gurnee businesses and neighborhood HOAs can join the Community Partnership for Safety program. The local program encourages Gurnee businesses and residents to work together to reduce crime and maintain a safe community. Those interested in getting Flock Safety cameras for their business or neighborhood are encouraged to contact the Crime Prevention office at the Gurnee Police Department.

"We share an invaluable partnership with Gurnee Mills, and we are grateful for their support as we work together to minimize crime. Using Flock Safety is a crime prevention measure to help stop crimes in progress, provide leads to further our investigations, and discourage future crimes. Gurnee has always been a safe community, and Flock Safety is helping to keep it that way. The amount of success we've seen in the past two months is encouraging, and we hope more businesses and neighborhood HOAs will consider installing the system.," said Chief Brian Smith of

the Gurnee Police Department.

The cameras are built by Flock Safety, a public safety technology company that helps neighborhoods, communities, and law enforcement work together to fight crime. The cameras aid law enforcement investigating crime by providing objective evidence such as license plates and vehicle characteristics and only storing the information for thirty days. Any law enforcement searches within the ALPR system require justification and are only used to solve and reduce property and violent crime. The cameras are not intended for minor traffic or parking violations, and it does not have facial recognition capabilities.

Shawn,

Attached are the sponsors for this years LCCPA golf event. Where it says no sign, that means do not order a new sign for them. Everyone else should have a new sign or banner. I will send the few logos that I received when I asked for new logos to up date the signs. All of the other ones should just have the name and town if indicated, printed on our new signs.

More to come.

Hi Michael,

I just got the "go ahead" to move forward with making the sponsor signs and banners. Below is a list of sponsors and what type of sign they should get.

Will you send me a proof of the golf ball sign so we can see it and make any graphic changes, if needed?

Golf Ball Sponsor signs

*please put the LCCPA logo at the top of each ball

*under the LCCPA logo, please write "SPONSORED BY"

*Each company should have their town listed underneath their logo or name

- ? Sponsors - one of each
- ? Meyer Enterprises (Wauconda) - no logo
- ? Law Offices of hon. Henry "Skip" Tonigan (Barrington) - no logo
- ? Chief Larry Herzog (Retired) - no logo, no town
- ? Gurnee FOP 266 - Logo only, see attached
- ? Chief John Sliozis (Deerfield) - no logo
- ? Northeastern IL Regional Crime Lab - Logo only, see attached
- ? Kluber Architects and Engineers (Wauconda) - no logo
- ? The Dogout (Bannockburn) - Do you have the logo from last year?
- ? DeKind Computer Consultants (Barrington) - Do you have the logo from last year?
- ? Radicom, Inc. (McHenry) - no logo
- ? Mt. Olivet Memorial Park (Zion) - no logo
- ? LaLuzerne and Smith, LTD (Waukegan) - no logo
- ? 360 Hazardous (Yorkville) - do you have the logo from last year?
- ? Axon - no logo, no town
- ? Zukowski, Rogers, Flood and McArdle (Crystal Lake) - no logo
- ? TCYFL Cares - no town no logo
- ? HUUSO BIO (Plaineville) - no logo

(18) golf balls with the LCCPA logo in the center

- ? 3x5 Banners
- ? Flock Safety - do you have the logo from last year?
- ? Clark Hill-Yvette Heintzelman -see logo attached
- ? Motorola Solutions - do you have the logo from last year?

4x6 Banners

- ? Horizon Therapeutics - do you have the logo from last year?
- ? Gold Shied Detective Agency - see logo attached

Good Morning,

WGN-TV is doing a story this afternoon/evening on the Flock Safety system at Gurnee Mills and other Chicagoland areas.

Would Chief Brian Smith have 10 minutes to do an on-camera interview with us today?
Perhaps in the 2pm/3pm hour?

Thank you in advance for your consideration.

GURNEE - The Gurnee Police Department has partnered with Gurnee Mills to enhance security measures at the area's largest shopping center. Increasing safety for shoppers and employees is a top priority, prompting Gurnee Mills to add the Flock Safety Automated License Plate Reader (ALPR) system on September 13, 2022. Since its installation two months ago, Gurnee Police have made seven arrests and recovered four stolen vehicles with the

assistance of the ALPR system. Earlier this year, Gurnee Mills participated in the Community Partnership for Safety program by donating money for a new police canine; they are expanding their participation with the installation of the Flock Safety cameras.

The cameras proactively prevent crime by sending a real-time alert to law enforcement when a stolen car or known wanted suspect from a state or national crime database enters the jurisdiction. The system can also send alerts if a vehicle associated with a missing person in an AMBER or Silver Alert is detected.

The ALPR system is just one example of how other Gurnee businesses and neighborhood HOAs can join the Community Partnership for Safety program. The local program encourages Gurnee businesses and residents to work together to reduce crime and maintain a safe community. Those interested in getting Flock Safety cameras for their business or neighborhood are encouraged to contact the Crime Prevention office at the Gurnee Police Department.

"We share an invaluable partnership with Gurnee Mills, and we are grateful for their support as we work together to minimize crime. Using Flock Safety is a crime prevention measure to help stop crimes in progress, provide leads to further our investigations, and discourage future crimes. Gurnee has always been a safe community, and Flock Safety is helping to keep it that way. The amount of success we've seen in the past two months is encouraging, and we hope more businesses and neighborhood HOAs will consider installing the system. ," said Chief Brian Smith of the Gurnee Police Department.

The cameras are built by Flock Safety, a public safety technology company that helps neighborhoods, communities, and law enforcement work together to fight crime. The cameras aid law enforcement investigating crime by providing objective evidence such as license plates and vehicle characteristics and only storing the information for thirty days. Any law enforcement searches within the ALPR system require justification and are only used to solve and reduce property and violent crime. The cameras are not intended for minor traffic or parking violations, and it does not have facial recognition capabilities.

For more information or to register, please visit www.mocictraining.com. The conference is scheduled for August 23-25, 2022, in Branson, Missouri. The Hilton Branson Convention Center Hotel, the conference headquarters hotel, is currently taking reservations. We hope to see you in Branson in August! Training Topics Finding Our Way Forward Ernie and Joe: Crisis Cops Leadership Applications of Criminal Intelligence (LACI) Law Enforcement on the Stand In The Era of Social Justice Reform Disentangling Serious Mental Illness and Violence: Threat Assessments and Management in Policing Suicide and Self-Harm Death Investigations Internet of Things: The Next Greatest Threat to Law Enforcement Managing Community Conversations and Media During Controversial Incidents Identifying the Imposter De-Escalation Techniques for Law Enforcement MOCIC Intelligence Research Services Include ?Vehicle Information and Facial Recognition Capabilities Flock Safety Enhances MOCIC's Ability to Research Suspect's Vehicle Information MOCIC's Criminal Information Specialists (CIS) have built a solid reputation for providing members with valuable research assistance that benefits investigations. To accomplish this mission, MOCIC's CIS team has access to dozens of specialized law enforcement and public records resources. In March, they gained access to one more?Flock Safety. Flock Safety is a public safety operating system that uses cameras to capture information related to vehicles. Flock cameras can be installed by neighborhoods, businesses or cities to help combat or deter criminal activity. In many instances, law enforcement is given access to the information captured by a Flock camera. The solar-powered, motion-activated Flock camera operates 24/7 and takes a picture of the back of vehicles as they drive by, capturing a wide variety of car identifiers. Flock Safety's technology lets users search this captured information by vehicle make, color, type, license plate, state of license plate, missing plate, covered plate, paper license plate and unique vehicle details, such as roof racks or bumper stickers. Flock Safety can enable an officer to go back in time to establish date, time, location, and even travel pattern information related to vehicles suspected to be involved in criminal activity. Information in the Flock database is kept for 30 days. As with any new technology, there are limitations. This system only works where Flock cameras have been installed and where law enforcement has been given access to the captured information. While Flock cameras are continually being added around the nation, including the MOCIC region, we have been advised there are no Flock cameras installed in Minnesota, Nebraska, North Dakota or South Dakota at this time. If you call MOCIC for license plate or other vehicle-related research, the CIS team can determine if a Flock Safety search can benefit your investigation. If you would like more information about Flock Safety or installing Flock cameras in your area, visit www.flocksafety.com. Vigilant and Clearview Ai Resources Available to MOCIC Intelligence

Research Staff Note: It is always MOCIC's intent to comply with all applicable state and federal laws and regulations, and MOCIC will not offer facial recognition assistance in those states where it is prohibited. At this time, biometric facial recognition is prohibited by Illinois statutes so MOCIC research staff will not be able to assist Illinois agencies with facial recognition requests. MOCIC Criminal Information Specialists currently have two resources available for facial recognition: Vigilant and Clearview Ai. Though both resources work in similar ways, each has its unique capabilities and search different resources. Vigilant searches resources such as mugshots and sex offender registries, while Clearview Ai searches social media. Neither system searches driver's license photos. Results from either of these resources should not be used as positive identification of a suspect. Results provided by MOCIC should be considered as lead information only. Officers must use other standard law enforcement procedures to verify a person's identity.

HOW IT WORKS Facial recognition technology relies on 2D rather than 3D images because it can more conveniently match a 2D image with public photos or those in a database. The software reads the geometry of a person's face. Key factors include the distance between eyes, the depth of eye sockets, the distance from forehead to chin, the shape of cheekbones, and the contour of lips, ears, and chin. The aim is to identify the facial landmarks that are key to distinguishing your face. The face capture process transforms analog information (a face) into a set of digital information (data) based on the person's facial features. In other words, a facial analysis is essentially turned into a mathematical formula. The numerical code is called a faceprint. In the same way that thumbprints are unique, each person has their own faceprint. In order for facial recognition software to be effective, it is necessary for officers to provide CIS staff the best quality photo of a suspect as possible. The better the photo, the better the odds are of finding a possible match. Blurred photos, photos of suspects with facial coverings, photos taken in low light conditions, such as bars or nightclubs, and photos taken at a distance can all greatly reduce the odds of finding a match. As with any intelligence research request, MOCIC members must send any facial recognition request to inquiry@mocic.riss.net and always include a crime type and case number.

Trauma care starts when first responders arrive on the scene

Trauma care doesn't really start when the patient hits the door here at DHR Health. It starts when emergency medical services ? the pre-hospital providers like EMTs, paramedics, fire departments, police officers ? arrive at the scene," says Dr. Jeffrey Skubic, Trauma Medical Director with DHR Health. Village Board Approves 2023 - 2026 Strategic Plan

At Monday's Village Board meeting, the Village Board approved the 2023 - 2026 Strategic Plan. The planning efforts began earlier this year with variety of measures including a community survey, an internal stakeholder survey, six focus groups, and more. These efforts resulted in 6 Key Strategic Priorities: Fiscal Sustainability, Well-Maintained Infrastructure, Effective Communication, a Stable, Well-Trained Workforce, a Safe Community, and Lifestyle Vitality.

These strategic priorities were further built upon to include specific initiatives and action plans. The public is encouraged to view the Strategic Plan at shorturl.at/QU079 (<http://shorturl.at/QU079>)

Tom's Tours Visits Gurnee Mills

Tom's Tours spent the morning at Gurnee Mills for a behind-the-scenes look at some exciting initiatives and, more importantly, as they prepare for Santa's arrival on November 30th! From pictures with Santa to holiday performances, and everything in between, Gurnee Mills has a store and event for everyone this holiday season and all year round. For a full list of holiday events and happenings, follow Gurnee Mills on Facebook or check out their website at www.GurneeMills.com.

(http://www.GurneeMills.com?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdbc65e9-cdfd8272a8-387437869)

During Tom's Tours, Mayor Hood, Trustee Ross, Trustee O'Brien, Lake County Board Member Carissa Casbon, and staff also received a comprehensive introduction to the newly installed Flock Safety System; a public safety operating system that helps law enforcement in thousands of communities work together to prevent and solve crime.

Did you know that Gurnee Mills is leading the way in regards to sustainability with the Simon Corporation? The newly installed moss water filtration system not only reduces their reliance on electricity but also saves approximately five million gallons of water a year. With the filtration system, Mother Nature does the work to clean water coming into the central plant. Say good-bye to chemicals.

The Village of Gurnee would like thank Randy Ebertowski the General Manager, Tim Ryter the Director of Operations, Kelsey Castrejon the Director of Marketing & Business Development, Peter LeBlanc the Maintenance Supervisor, and Officer Gullifor for hosting!

Leaf Collection Program Update: Waste Management Delayed

Waste Management is currently delayed by one week for leaf vacuum service and anticipates to catch up through the coming weeks. On November 21st, Waste Management plans to continue with leaf vacuum service for west side of Gurnee (Area West of I-94). Please remain patient during the early weeks of leaf vacuum collection. The combination of a large amount of leaves falling very early this year has resulted in a large amount of leaves already at the curb for collection.

We encourage residents to bag leaves if possible as Waste Management will pick up bagged leaves on a weekly basis free of charge. There is no limit to the number of bags that can be placed at the curb. The annual program concludes December 17th.

Additional information on the leaf collection program can be found at: https://www.gurnee.il.us/residents/recycling/leaf-collection?utm_source=Village+of+Gurnee+Listserve&utm_campaign=cdfd8272a8-EMAIL_CAMPAIGN_2018_05_25_12_44_COPY_01&utm_medium=email&utm_term=0_58fdbc65e9-cdfd8272a8-387437869

Bring the family to celebrate the Holiday Train & Holiday Lights!
Thursday, December 8
Holiday Train: 3:00 - 5:20pm at Viking Park
Holiday Lights: 5:30 - 7:30pm at Welton Plaza

The night will begin with the arrival of the "Holiday Train" at Viking Park, followed by the "Holiday Lights" event at Welton Plaza on Old Grand Avenue! The Holiday Train is scheduled to arrive at Viking Park at 5:05 pm. Prior to the arrival of the train, beginning at 3:00pm, enjoy snacks, DJ, a petting zoo, and time to visit with Santa! Please bring your non-perishable food items to donate to the Northern Illinois Food Bank and receive a ticket to the snack tent.

Once the train departs, walk down Old Grand Avenue to Welton Plaza for our Holiday Lights at Welton Plaza event, featuring holiday carolers, food trucks & snacks, hot cocoa, DJ, photo booth, craft station, s'more making, visits with Santa Claus, as well as an amazing holiday lights display until 7:30pm!

This event is co-hosted by Gurnee Park District, Village of Gurnee and the Gurnee Chamber of Commerce.

GURNEE - The Gurnee Police Department has partnered with Gurnee Mills to enhance security measures at the area's largest shopping center. Increasing safety for shoppers and employees is a top priority, prompting Gurnee Mills to add the Flock Safety Automated License Plate Reader (ALPR) system on September 13, 2022. Since its installation two months ago, Gurnee Police have made seven arrests and recovered four stolen vehicles with the assistance of the ALPR system. Earlier this year, Gurnee Mills participated in the Community Partnership for Safety program by donating money for a new police canine; they are expanding their participation with the installation of the Flock Safety cameras.

The cameras proactively prevent crime by sending a real-time alert to law enforcement when a stolen car or known wanted suspect from a state or national crime database enters the jurisdiction. The system can also send alerts if a vehicle associated with a missing person in an AMBER or Silver Alert is detected.

The ALPR system is just one example of how other Gurnee businesses and neighborhood HOAs can join the Community Partnership for Safety program. The local program encourages Gurnee businesses and residents to work together to reduce crime and maintain a safe community. Those interested in getting Flock Safety cameras for their business or neighborhood are encouraged to contact the Crime Prevention office at the Gurnee Police Department.

"We share an invaluable partnership with Gurnee Mills, and we are grateful for their support as we work together to minimize crime. Using Flock Safety is a crime prevention measure to help stop crimes in progress, provide leads to further our investigations, and discourage future crimes. Gurnee has always been a safe community, and Flock Safety is helping to keep it that way. The amount of success we've seen in the past two months is encouraging, and we hope more businesses and neighborhood HOAs will consider installing the system.," said Chief Brian Smith of the Gurnee Police Department.

The cameras are built by Flock Safety, a public safety technology company that helps neighborhoods, communities, and law enforcement work together to fight crime. The cameras aid law enforcement investigating crime by providing objective evidence such as license plates and vehicle characteristics and only storing the information for

thirty days. Any law enforcement searches within the ALPR system require justification and are only used to solve and reduce property and violent crime. The cameras are not intended for minor traffic or parking violations, and it does not have facial recognition capabilities.

Subject: Flock Safety Onboarding March 21st at 3:15-4:00
Date: Tuesday, March 8, 2022 7:07:49 AM
Attachments: [TEXT.htm](#)

Everyone on the To: line should be receiving an invite to a web conference on March 21st at 3:15-4:00 for the Flock safety onboarding. This will be an introduction and give each of you access to run LPR searches using the Flock database. If you are working you can come back to investigations and join us on one of our laptops and if you are off during this time you can join from home and submit for overtime.

If you can't participate just let me know.

Thanks,

Jeremy
