(19)  
On January 19, 2019, at approximately 1849 hours, while working as a Seattle Police officer on Uniformed Patrol, in a fully marked Police vehicle as Unit 2-David-2, I Officer Passarella #8425, responded to the reports of an armed suicidal person standing out front of the SPD-West precinct, located at 810 Virginia ST.

BWV/ICV was utilized, and recorded.

The call remarks provided the following Information:

MALE SAYS HE'S TRYING SUICIDE BY COP, HE HAS AN <<AIRSOFT GUN>>

I arrived at the scene, took a position behind a concrete pillar on the southeast corner, and observed the following:

The suspect (Identified as Timothy Clemans) was standing directly in front of the West precinct, at the base of the stairs, on the sidewalk. Clemans was holding a black pistol (what appeared to be a Sig P320) and he was holding the pistol waist level, pointing the muzzle of the pistol at a team of officers standing at the West precinct entrance.

Less lethal officers deployed a 40MM launcher, the projectile struck Clemans on his leg. The projectile was ineffective, Clemans stood upright, and pointed the pistol at the less lethal officer for about eight seconds before a secondary less lethal officer deployed a Taser. The Taser probes made contact, and Clemans fell to the ground. Several officers including myself rushed in, and detained Clemans.

One Sig Sauer airsoft pistol was recovered from underneath Clemans body. Once the scene was safe, emergency medical personnel rendered aid.

I spoke with Clemans, and during my interview he stated the following:

He was Bipolar, and he was tired of living. He went to the Dicks Sporting Goods today, and purchased the Sig pistol with a plan to use it to provoke police officers. He wanted Police to shoot him, he was tired of being tired, and depressed. He reached out for help several times before without any results. He told his case worker that he was suicidal, and his case worker didn't believe him.

I completed an emergent detention card, and informed Clemans that he was under arrest for assault. I read Clemans Miranda warning, and he indicated he understood his rights. Clemans was transported to HMC with an officer assigned to hospital guard.

I would like to request that this arrest be referred to the prosecutor's office for the crimes of Unlawful handling of a weapon, 9.41.270, and Weapons in public places, SMC 12A.14.083.

This report is intended as a summary of the events that occurred under the listed case number. I have paraphrased conversations and do not include any exact sequence of events. For any exact quotes or exact sequence of events, I would refer the reader to my BWV, as it was recording at the time of this incident.
