Death Termination Pay Beneficiary Form

The Death Termination Pay Beneficiary Form is where you elect a beneficiary to receive any pay, which you would otherwise have received, payable based on your employment in the event of your death. Make sure that you have a completed form on file.

You can find a copy of this form on Page 22 of this guide.

ENROLLMENT OPPORTUNITIES

There are several opportunities to select coverage or make changes to your benefits. Please carefully consider the benefit options available to you and your dependent(s).

1. New Employees

After you receive your first paycheck, you can log into Employee Self Service (ESS) using e + your employee ID number and your network password. You have thirty (30) days from your hire date to make your enrollment elections and submit supporting documents for any dependents you wish to cover. If supporting documentation is not received within the 30-day window, you will have to wait until Open Enrollment or experience a qualifying life event in order to enroll in coverage. **Make sure to complete a Death Termination Pay Beneficiary Designation Form (Page 22).**

2. Open Enrollment: March 22-April 2, 2021

Each year we offer you an opportunity to review your current benefits and make changes. During this time, you can add, drop or change coverage for: medical, dental and vision plans and Healthcare Flexible Spending Account (HFSA). Open Enrollment for the 2021-2022 Plan Year is from March 22-April 2, 2021. The changes you make will be effective on May 1, 2021.

If no changes are necessary, your current benefits will remain in effect for the new Plan Year, with the exception of the Healthcare Flexible Spending Account. **You must re-enroll in the Healthcare Flexible Spending Account each year.**

If you add any new dependents during Open Enrollment, supporting documents must be received by March 31, 2021, or coverage will NOT be added.

3. Qualified Life Events

Sometimes an event, such as a marriage or birth, may cause you to update your benefits during the Plan Year. **You must submit a Qualified Life Event form along with supporting documents within thirty-one (31) days of the event.** You can find the form at cityofhoustonbenefits.org under the forms and documents menu.

The following are qualified life events that allow an employee to make benefit changes during the Plan Year:

- Marriage
- Divorce
- Birth, adoption or placement of foster child
- Death
- Spouse and/or dependent gains or loses coverage

4. Ongoing Events

You can request an increase for voluntary life insurance, as well as update your beneficiary designations for basic and voluntary life insurance at anytime.

Employee Self Service (ESS)

Log on to your benefits in the enrollment tool, Employee Self Service (ESS), at portal.houstontx.gov. ESS is available 24/7 and makes electing and updating your benefits simple because it's a one-stop shop. You can check your mailing address, view your paycheck, update your benefits and more all online. The enrollment application is secure, and your information will be protected, whether you are at home, at work, or using a public computer. Review your current elections and this guide to make your choices for the upcoming benefits year.

To access ESS, visit portal.houstontx.gov

For password reset, contact HITS at 832-394-4487 or houstontx.service-now.com.

Healthcare Flexible Spending Account

The Healthcare Flexible Spending Account (HFSA) allows you to stretch your budget further. The HFSA is a voluntary pre-tax benefit plan that allows you to set aside money from your paycheck to be used to pay the out-of-pocket medical, prescription, dental and vision expenses that you and your eligible dependents incur.

You never pay taxes on the money you put into your account, giving you more bang for your buck when you use pre-tax money to reimburse qualified healthcare expenses.

How does it work?

After enrollment, you will receive a TASC Card.

Use your TASC Card to pay for eligible expenses at the point of purchase instead of paying out-of-pocket and requesting a reimbursement.

Selecting an Election Amount

Four factors to keep in mind when selecting an election amount:

1. Your total election amount is available on May 1, 2021-April 30, 2022, so the HFSA can help regulate your healthcare spending and take care of the unexpected expenses along the way.
2. The minimum annual election amount is \$240 and the maximum is \$2,550.
3. As an HFSA participant, you have a 90-day period (May 1, 2022–July 31, 2022) to file claims and request reimbursement for expenses incurred prior to the end of the HFSA Plan Year on April 30, 2022.
4. Contributions are based on 24 pay periods.

Rollover

The HFSA includes a rollover of up to \$500 into the next plan year if you re-enroll. Any amount left above \$500 will be forfeited.

Dependent Care Reimbursement Plan

The Dependent Care Reimbursement Plan works just like the HFSA but is for dependent care expenses. Open Enrollment for Dependent Care Reimbursement Plan is November 1, 2021–December 10, 2021. The plan begins January 1, 2022, and ends December 31, 2022.

Plan Documents

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. This is only a summary. For more information about your coverage, refer to the 2021 plan documents. SBCs and plan documents for each of the plans can be found on the HR website at cityofhoustonbenefits.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider or other terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 800-997-1406 to request a copy. You may obtain a printed copy of the SBC or plan documents at no charge by contacting the Benefits Division at 832-393-6000 and it will be sent to you within seven days.

COBRA Notification Obligations

Under federal law, Consolidated Omnibus Budget Reconciliation Act (COBRA), the City of Houston is required to offer covered employees and/or covered family members the opportunity for continued health coverage at group rates when coverage under the health plan would otherwise end due to certain qualifying events. Continuation of coverage under COBRA is the same as that provided to active employees and subject to the same requirements.

Evidence of good health is not required to continue coverage. Failure to notify the plan administrator within 60 days of a qualifying event or from the loss of coverage date will result in a loss of any potential COBRA rights you may have had.

Notice of Privacy Practices

The City of Houston's group health plans are designed to protect your privacy. In fact, even though we provide health benefits coverage for you, we do not have access to your medical records. That information is maintained by your doctor and your health plan provider. Federal and state laws require us to maintain the privacy of any information regarding your health care and treatment that is personally identifiable to you, and that is transmitted or maintained by the plans, regardless of the form. This includes information and identifiable factors such as your name, age, and address.

A Notice of Privacy Practices is posted at houstontx.gov/hr and describes how medical information about you may be used and disclosed, and how you can get access to this information. The notice also explains the plans' privacy practices, legal duties, and your rights concerning your protected health information. You can visit the website to review and retrieve the privacy notice.

Notice of Wellness Program Participation

The Wellness Program is administered for City of Houston employees and certain retirees covered under a Cigna medical plan, with the goal of improving employee health and preventing disease. All activities, programs, and initiatives related to the wellness program adhere to federal regulations pertaining to employer-sponsored wellness programs, including the Health Insurance Portability and Accountability Act (HIPAA). Participation in the wellness program is voluntary and requires you to complete a health assessment that asks a number of different questions about your health-related activities and behaviors, with the goal of assessing whether you have or are predisposed to certain medical conditions, such as heart disease or diabetes. In order to complete your health risk assessment, you will be asked for your biometric numbers including: height, weight, blood pressure, body mass index (BMI), and blood cholesterol levels. These health numbers can be obtained through a lab or at your doctor's office. The results of your health assessment are used to guide you to other wellness program resources, such as lifestyle management courses and health coaching. After completing the health risk assessment, you will be asked to complete one Wellness Engagement Option. These options are wide-ranging and diverse and seek to guide employees into healthier living through promotion of healthy eating habits, weight management, physical activity, immunization adherence, and taking advantage of health coaching and annual physicals. Employees who complete an annual physical, the health assessment and one wellness engagement option will receive a discount on their medical plan rate of up to \$900 (for employees and covered spouses). Employees who choose not to participate in and complete the wellness program will receive no discount on their medical plan rate and thus will be liable for the full amount. Employees on Family Medical Leave or Military Deployment for two or more months, or who become pregnant during the insurance plan year are exempt from having to complete the wellness program.

The laws governing the use of personally identifiable health information in the context of employer operated wellness programs prevent the City of Houston from sharing any of your health information with any entity, persons, managers, or supervisors except that which is relevant to the carrying out of a request by you, the employee, for participation in the wellness program. Aggregated information received as a result of your participation in the wellness program is used to design and target future initiatives and will never be sold, solicited, exchanged, transferred or otherwise disclosed beyond what is permitted by law, to carry out specific activities related to the wellness program. All persons involved in the handling of personally identifiable health information on behalf of the City of Houston are bound by confidentiality and are limited to members of the City of Houston Wellness Team and Cigna health coaches. Safety and security measures are in place in accordance with all federal regulations and the City of Houston standard operating procedures, to prevent any breach of data or health information. In the event of any such data breaches of personally identifiable health information, you will be notified in accordance with federal and state laws. All medical information provided will be separately maintained from employee personnel files and will not be included in decisions on employment. If you have questions or concerns regarding this notice, contact the City of Houston Benefits division at 832-393-6000. If you have questions or concerns about protections against discrimination and retaliation, please contact the City's Office of Inspector General at 832-394-5100. If you have questions or concerns about your health information, visit www.houstontx.gov/hr/privacy_policy.html, or contact the Privacy Officer at 832-393-6199 or PrivacyOfficer@houstontx.gov.
