RE: Freedom of Information Act Request Number: P010747-041124

Dear Thomas Nash,

I am responding, on behalf of the City of Virginia Beach Police Department, to provide an initial response and cost estimate regarding your request for all records from the past year regarding our nuisance property ordinance, including but not limited to police calls, citations, or arrests collected by the police department for the purpose of enforcing the ordinance.' The estimated time to research, review, and make appropriate redactions in compliance with the Virginia Freedom of Information Act is 4 hours. Consequently, the cost estimate is as follows: 4 hours x \$22.26/hour = \$89.04.

Please advise if you agree to the estimated cost. Our response period is tolled until you respond to this estimate. Finally, note that I estimated the cost and that the final actual cost may be higher or lower.

Should you have any questions regarding this request, please contact me at (757) 385-4702.

Sincerely,

FOIA Specialist Maria G. Ray
