Subject: Fwd: COPS Update

FYI only. Your grants staff probably already received this notice, but the COPS office has put the CPD Microgrants Program and the CHP program on hold. All other topic areas remain open for application.

Lee and Lisa, DOJ refused to hold or remove the immigration considerations for the CAMP and AHTF grants because those are only accessible to state applicants and DOJ "cannot see how the City of Los Angeles has any legitimate interest in the scoring factors to be used in those programs."

Mike

Announcement

CHP Program Hold Notice:

The opening of the COPS Hiring Program (CHP) grant solicitation is on hold due to the issuance of a nationwide injunction by a U.S. District Court on April 12, 2018, regarding immigration factors that were included in the 2017 CHP solicitation. The Department has appealed this decision. CHP will remain on hold until further notice.

CPD Microgrants Program Hold Notice:

The Field-Initiated Law Enforcement Microgrant topic area, in the 2018 Community Policing Development

solicitation, has been placed on hold until further notice due to litigation and applications will not be accepted at this time. All other topic areas remain open and applications are being accepted until June 7, 2018 at 7:59 p.m. EDT.
