## SECTION 3: GENERAL AGENCY INFORMATION

**A. Applicant ORI Number ILCPD00**

The ORI number is assigned by the FBI and is your agency's unique identifier. The COPS Office uses the first seven characters of this number. The first two letters are your state abbreviation, the next three numbers are your county's code, and the next two numbers identify your jurisdiction within your county. If you do not currently have an ORI number, the COPS Office will assign one to your agency for the purpose of tracking your grant. ORI numbers assigned to agencies by the COPS Office may end in "ZZ."

**B. Applicant Data Universal Numbering System (DUNS) Number:**

105233493

A Data Universal Numbering System (DUNS) number is required prior to submitting this application. A DUNS number is a unique nine or thirteen digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. For more information about how to obtain a DUNS number, please refer to the "How to Apply" section of the COPS Application Guide.

**C. System for Award Management (SAM)**

The System for Award Management (SAM) replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and sub-recipients. DOJ requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the SAM database. Please note that Applicants must update or renew their SAM registration at least once a year to maintain active status.

Applicants that were previously registered in the CCR database must, at a minimum:

Create a SAM account

Log into SAM and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM Registration procedures can be accessed at <http://www.sam.gov>.

For more information about how to register with SAM, please refer to the "How to Apply" section of the COPS Application Guide.

**Your SAM Registration is set to expire on:**

02/11/2016

Please enter date in MM/DD/YYYY format.

Note: If your SAM registration is set to expire prior to September 30, 2015, please renew your SAM Registration prior to completing this application. Contact the SAM Service Desk at 866-606-8220 or view/update your registration information at

<http://www.sam.gov>

However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please indicate whether your agency has a pending application and/or an active grant with any other federal funding source (e.g. direct federal funding or indirect federal funding through State sub-awarded federal funds) which supports the same or similar activities or services as being proposed in this COPS application. The COPS Office has completed the development of a comprehensive community policing self-assessment tool for use by law enforcement agencies. Based on this work, we have developed the following list of primary sub-elements of community policing. Please refer to the COPS Office web site (<http://www.cops.usdoj.gov>) for further information regarding these sub-elements.

## SECTION 7: NEED FOR FEDERAL ASSISTANCE

### A. Explanation of Need for Federal Assistance

All applicants are required to explain their inability to address the need for this award without federal assistance. Please do so in the space below. [Please limit your response to a maximum of 4,000 characters.]

The persistent impact of the national recession upon Chicago's economy continues to place serious pressures (i.e. serial bond market downgrades; major pension funding deficits) on the City of Chicago's financial position and budget. Even as the current administration continues to creatively reduce costs and achieve operational efficiencies, the magnitude of the City's obligations (especially pension obligations) more than counterbalances the benefits of meaningful financial improvements. Fiscal challenges and unrelenting public safety challenges have made it very difficult for CPD to mitigate natural attrition losses to its sworn headcount in a timely manner. Current economic and financial conditions make it extremely difficult to maintain previous budget levels and service capacities, and finding and allocating funding for new initiatives, even critically important public safety initiatives, has become extremely challenging.

## SECTION 8: CONTINUATION OF PROJECT AFTER FEDERAL FUNDING ENDS

If you are applying for a COPS grant with a post-grant retention plan requirement, please complete A. If you are applying for a COPS grant without a post-grant retention plan requirement, please complete B.

### B. Continuation of Project after Federal Funding Ends (for other COPS grants with no retention plan requirement)

Please complete these questions to indicate any plans you may have to continue this program, project, or activity after the conclusion of federal funding.

**1. Does your agency plan to obtain necessary support and continue the program, project, or activity following the conclusion of federal support?**

- ☒ Yes
- ☐ No

**2. Please identify the source(s) of funding that your agency plans to utilize to continue the program, project, or activity following the conclusion of federal support: (check all that apply)**

- ☒ General funds
- ☐ Raise bond/tax issue
- ☐ Private sources/donations
- ☐ Non-federal asset forfeiture funds (subject to approval from the state or local oversight agency)
- ☒ State, local, or other non-federal grant funding
- ☐ Fundraising efforts
- ☐ Other

If other, please provide a brief description of the source(s) of funding not to exceed 500 characters.

## SECTION 10: EXECUTIVE SUMMARY

Please provide a brief summary of how your agency will use this federal funding. Refer to the COPS Program Specific Application Guide for clarification on specific information to include in your summary, and be sure to provide a description of how you expect this grant to impact public safety and/or crime prevention in your community. The Executive Summary may be used to keep Congress or other executive branch agencies informed on law enforcement strategies to deter crime in your community. [Responses are limited to a maximum of 4000 characters.]

The Chicago Police Department (CPD)'s 21st Century Policing Project, under the "President's Task Force on 21st Century Policing Field Initiated Projects" category, proposes to foster a strong collaborative partnership between law enforcement and the public which leads to more effective crime reduction, safer community environments, and public trust. CPD's 21st Century Policing Project will develop and utilize community policing metrics to standardize performance for achieving a strategy that will include non-enforcement community engagement initiatives, training, project analysis and evaluation. CPD believes that developing these comprehensive metrics will assist law enforcement organizations around the country to effectively implement and track many of the recommendations of the interim report of the President's Task Force related to building trust and legitimacy and community policing and crime reduction, including recommendations 1.1, 1.3, 1.5, 1.7, 4.2, 4.4, 4.5, 4.6 and 4.7. Across the country, the relationship between police officers and residents has risen to the forefront of national discussion regarding law enforcement and the broader criminal justice system with numerous incidents of alleged police misconduct or officer-involved shootings that have sparked protests and even riots that have been, generally, driven by a long-standing perceived sense of unfairness by police. While CPD has provided unique training to our officers in the principals of fairness and respect, Chicago faces the same reality as many other cities - that any single incident at any given moment may spark demonstrations or civil unrest. In accordance with task force recommendations, CPD will implement strategies to achieve collective community efficacy, which will help repair or improve community relations with law enforcement as well as prevent and reduce crimes in the pilot project for Chicago's 10th Police District, Little Village (LV) and North Lawndale (NL) communities. With a total population of 118,093 (2010 census): 62% Hispanic concentrated almost entirely in the LV neighborhood, and 33% African-American concentrated almost entirely in the NL community. Median household income in NL is just over \$25,000 (Chicago median income is just under \$43,000); number of individuals with less than a high school education is more than double the citywide average. Median household income in LV is approximately \$40,000; however, the number of individuals with less than a high school education is more than triple the citywide average. NL neighborhood has one of the highest rates of formerly incarcerated individuals. LV has a high percentage of immigrants, particularly from Mexico. Violent crime in the District has declined over the course of the past six years, with murders declining from 30 in 2009 to 24 in 2014, and shootings declining from 135 in 2009 to 106 in 2014; however the District still ranks in the top 10 most violent districts in Chicago. CPD will conduct evaluation in partnership with Dennis P. Rosenbaum, Ph.D., Research Center Director at Loyola University at Chicago and Professor of Criminal Justice and Psychology, who will serve as team project evaluator; and team members Wesley G. Skogan, Ph.D., Professor of Political Science at Northwestern University Institute for Policy Research and James J. Willis, Ph.D., Interim Faculty Chair at George Mason University, College of Humanities and Social Sciences. The evaluation team will analyze activities that demonstrate improved trust and communication between police and residents and recommend performance metrics for the Citizens and Law Enforcement Analysis and Reporting (CLEAR) system to record, track and evaluate outcomes related to community policing activities.

## SECTION 11: PROJECT DESCRIPTION (NARRATIVE)

Projects that advance the recommendations of the President's Task Force on 21st Century Policing (Task Force), which is available at <http://www.cops.usdoj.gov/Default.asp?Item=2761>, applicants should clearly identify the Task Force recommendation(s) they are proposing to address in their application narrative.

If the program for which you are applying requires a Memorandum of Understanding (MOU), this document should define the roles and responsibilities of the individuals and partner(s) involved in your proposed project. Please refer to the program-specific Application Guide to determine if an MOU or other application attachments are required. The Guide will also specify if optional attachments are permitted for submission. Please use appropriately descriptive file names (e.g., Program Narrative, Budget Detail Worksheet and Budget Narrative, Timelines, Memoranda of Understanding, Resumes) for all attachments. ## SECTION 14: BUDGET DETAIL WORKSHEETS

### Instructions for Completing the Budget Detail Worksheets

The following Budget Detail Worksheets are designed to allow all COPS grant and cooperative agreement applicants to use the same budget forms to request funding. Allowable and unallowable costs vary widely and depend upon the type of COPS program. The maximum federal funds that can be requested and the federal/local share breakdown requirements also vary.

Please refer to the program-specific Application Guide to determine the allowable/unallowable costs, the maximum amount of

federal funds that can be requested, and the federal/local share requirements for the COPS program for which your agency is applying(See <http://www.cops.usdoj.gov/Default.asp?Item=46>). To assist you, sample Budget Detail Worksheets are included in each Application Guide

Please complete each section of the Budget Detail Worksheets applicable to the program for which you are applying (See <http://www.cops.usdoj.gov/Default.asp?Item=46> for requirements). If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested.

Final calculations will be rounded to the nearest whole dollar. Once the budget for your proposal has been completed, a budget summary page will reflect the total amounts requested in each category, the total project costs, and the total federal and local shares.

If you need assistance in completing the Budget Detail Worksheets, please call the COPS Office Response Center at 800-421-6770.

Expendable items should be included either in the "SUPPLIES" or "OTHER" categories. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially for high-price items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the "CONTRACTS / CONSULTANTS" category.

Please be advised that, to the greatest extent practical, all equipment and products purchased with these funds must be American-made.

**For agencies purchasing items related to enhanced communications systems, the COPS Office expects and encourages that, wherever feasible, such voice or data communications equipment should be incorporated into an intra- or interjurisdictional strategy for communications interoperability among federal, state, and local law enforcement agencies.**

Training fees, transportation, lodging and per diem rates for trainees should be listed as separate travel items. For all grantees (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the Federal Government contract airfare (if authorized and available).

## SECTION 15A: ASSURANCES

Several provisions of federal law and policy apply to all grant programs. The Office of Community Oriented Policing Services needs to secure your assurance that the applicant will comply with these provisions. If you would like further information about any of these assurances, please contact your state's COPS Grant Program Specialist at 800-421-6770.

By signing this form, the applicant assures that it will comply with all legal and administrative requirements that govern the applicant for acceptance and use of federal grant funds. In particular, the applicant assures us that:

1. It has been legally and officially authorized by the appropriate governing body (for example, mayor or city council) to apply for this grant and that the persons signing the application and these assurances on its behalf are authorized to do so and to act on its behalf with respect to any issues that may arise during processing of this application.

2. It will comply with the provisions of federal law, which limit certain political activities of grantee employees whose principal employment is in connection with an activity financed in whole or in part with this grant. These restrictions are set forth in 5 U.S.C. § 1501, et seq.

3. It will comply with the minimum wage and maximum hours provisions of the Federal Fair Labor Standards Act, if applicable.

4. It will establish safeguards, if it has not done so already, to prohibit employees from using their positions for a purpose that is, or gives the appearance of being, motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business or other ties.

5. It will give the Department of Justice or the Comptroller General access to and the right to examine records and documents related to the grant.

6. It will comply with all requirements imposed by the Department of Justice as a condition or administrative requirement of the grant, including but not limited to: the requirements of 2 C.F.R. Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards) as adopted by the Department of Justice in 2 C.F.R. § 2800.101 ; 48 C.F.R. Part 31 (FAR Part 31) (Contract Cost Principles and Procedures); the applicable provisions of the Omnibus Crime Control and Safe Streets Act of 1968, as amended; 28 C.F.R. § 38.1; the applicable COPS Application Guide; the applicable COPS Grant Owner's Manuals; and with all other applicable program requirements, laws, orders, or regulations.

7. It will, to the extent practicable and consistent with applicable law, seek, recruit and hire qualified members of racial and ethnic minority groups and qualified women in order to further effective law enforcement by increasing their ranks within the sworn positions in the agency.

8. It will not (and will require any subgrantees, contractors, successors, transferees, and assignees not to), on the grounds of race, color, religion, national origin, sex, disability, or age, unlawfully exclude any person from participation in, deny the benefits of or employment to any person, or subject any person to discrimination in connection with any programs or activities funded in whole or in part with federal funds. These civil rights requirements are found in the non-discrimination provisions of Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. § 2000d); the Omnibus Crime Control and Safe Streets Act of 1968, as amended (42 U.S.C. § 3789d); Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794); the Age Discrimination Act of 1975 (42 U.S.C. § 6101, et seq.); Title IX of the Education Amendments of 1972, as amended (20 U.S.C. § 1681, et seq.); and the corresponding DOJ regulations implementing those statutes at 28 C.F.R. Part 42 (subparts C, D, E, G, and I). It will also comply with Executive Order 13279 Equal Treatment for Faith-Based Organizations and its implementing regulations at 28 C.F.R. Part 38, which requires equal treatment of religious organizations in the funding process and nondiscrimination of beneficiaries by Faith-Based Organizations on the basis of belief or non- belief.

A. In the event that any court or administrative agency makes a finding of discrimination on grounds of race, color, religion, national origin, gender, disability or age against the applicant after a due process hearing, it agrees to forward a copy of the finding to the Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531.

B. If your organization has received an award for \$500,000 or more and has 50 or more employees, then it has to prepare an Equal Employment Opportunity Plan (EEOP) and submit it to the Office for Civil Rights ("OCR"), Office of Justice Programs, 810 7th Street, N.W., Washington, DC 20531, for review within 60 days of the notification of the award. If your organization received an award between \$25,000 and \$500,000 and has 50 or more employees, your organization still has to prepare an EEOP, but it does not have to submit the EEOP to OCR for review. Instead, your organization has to maintain the EEOP on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. If your organization received an award for less than \$25,000; or if your organization has less than 50 employees, regardless of the amount of the award; or if your organization is a medical institution, educational institution, nonprofit organization or Indian tribe, then your organization is exempt from the EEOP requirement. However, your organization must complete Section A of the

Certification Form and return it to OCR.

9. Pursuant to Department of Justice guidelines (June 18, 2002 Federal Register (Volume 67, Number 117, pages 41455-41472)), under Title VI of the Civil Rights Act of 1964, it will ensure meaningful access to its programs and activities by persons with limited English proficiency.

10. It will ensure that any facilities under its ownership, lease or supervision which shall be utilized in the accomplishment of the project are not listed on the Environmental Protection Agency (EPA) list of Violating Facilities and that it will notify us if advised by the EPA that a facility to be used in this grant is under consideration for such listing by the EPA..

11. If the applicant's state has established a review and comment procedure under Executive Order 12372 and has selected this program for review, it has made this application available for review by the state Single Point of Contact.

12. It will submit all surveys, interview protocols, and other information collections to the COPS Office for submission to the Office of Management and Budget for clearance under the Paperwork Reduction Act of 1995 if required.

13. It will comply with the Human Subjects Research Risk Protections requirements of 28 C.F.R. Part 46 if any part of the funded project contains non-exempt research or statistical activities which involve human subjects and also with 28 C.F.R. Part 22, requiring the safeguarding of individually identifiable information collected from research participants.

14. Pursuant to Executive Order 13043, it will enforce on-the-job seat belt policies and programs for employees when operating agency-owned, rented or personally-owned vehicles.

15. It will not use COPS funds to supplant (replace) state, local, or Bureau of Indian Affairs funds that otherwise would be made available for the purposes of this grant, as applicable.

16. If the awarded grant contains a retention requirement, it will retain the increased officer staffing level and/or the increased officer redeployment level, as applicable, with state or local funds for a minimum of 12 months following expiration of the grant period.

17. It will not use any federal funding directly or indirectly to influence in any manner a Member of Congress, a jurisdiction, or an official of any government, to favor, adopt, or oppose, by vote or otherwise, any legislation, law ratification, policy or appropriation whether before or after the introduction of any bill, measure, or resolution proposing such legislation, law, ratification, policy or appropriation as set forth in the Anti-Lobby Act, 18 U.S.C. § 1913.

18. In the event that a portion of grant reimbursements are seized to pay off delinquent federal debts through the Treasury Offset Program or other debt collection process, it agrees to increase the non-federal share (or, if the awarded grant does not contain a cost sharing requirement, contribute a non-federal share) equal to the amount seized in order to fully implement the grant project.

19. None of the funds made available under this award may be distributed to the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries.

False statements or claims made in connection with COPS grants (including cooperative agreements) may result in fines, imprisonment, disbarment from participating in federal grants or contracts, and/or any other remedy available by law.

I certify that the assurances provided are true and accurate to the best of my knowledge.

Elections or other selections of new officials will not relieve the grantee entity of its obligations under this grant.
