SECTION 3: GENERAL AGENCY INFORMATION

A. Applicant ORI Number ILCPD00

The ORI number is assigned by the FBI and is your agency's unique identifier. The COPS Office uses the first seven characters of this number. The first two letters are your state abbreviation, the next three numbers are your county's code, and the next two numbers identify your jurisdiction within your county. If you do not currently have an ORI number, the COPS Office will assign one to your agency for the purpose of tracking your award. ORI numbers assigned to agencies by the COPS Office may end in "ZZ."

B. Applicant Data Universal Numbering System (DUNS) Number:

A Data Universal Numbering System (DUNS) number is required prior to submitting this application. A DUNS number is a unique nine or thirteen digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. For more information about how to obtain a DUNS number, please refer to the "How to Apply" section of the COPS Office Application Guide.

Applicant Data Universal Numbering System (DUNS) Name:

If your registered name in DUNS is different from your COPS legal name, please enter the registered name. For more information about how to obtain a DUNS name, please refer to <https://www.dnb.com/duns-number/lookup.html>.

C. System for Award Management (SAM)

The System for Award Management (SAM) replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and sub recipients. The U.S. Department of Justice requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the SAM database. Please note that applicants must update or renew their SAM registration at least once a year to maintain active status.

Applicants that were previously registered in the CCR database must, at a minimum:

Create a SAM account

Log into SAM and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM Registration procedures can be accessed at <https://www.sam.gov>.

For more information about how to register with SAM, please refer to the "How to Apply" section of the COPS Office Application Guide.

Your SAM Registration is set to expire on:

Please enter date in MM/DD/YYYY format.

However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please indicate whether your agency has a pending application and/or an active award with any other federal funding source (e.g. direct federal funding or indirect federal funding through State sub-awarded federal funds) which supports the same or similar activities or services as being proposed in this COPS Office application. SECTION 6A: LAW ENFORCEMENT & COMMUNITY POLICING STRATEGY

Community Policing Definition Framework

The following is the COPS Office definition of community policing that emphasizes the primary components of community partnerships, organizational transformation, and problem solving.

Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem solving techniques to proactively address the immediate conditions that give rise to public safety issues, such as crime, social disorder, and fear of crime.

The COPS Office has completed the development of a comprehensive community policing self-assessment tool for use by law enforcement agencies. Based on this work, we have developed the following list of primary sub elements of community policing. Please refer to the COPS Office web site (<https://cops.usdoj.gov>) for further information regarding these sub elements.

Community Partnerships:

Collaborative partnerships between the law enforcement agency and the individuals and organizations they serve to both develop solutions to problems and increase trust in police.

Other Government Agencies
Community Members/Groups
Non-Profits/Service Providers
Private Businesses
Media

Organizational Transformation:

The alignment of organizational management, structure, personnel and information systems to support community partnerships and proactive problem-solving efforts.

Agency Management

Decision making
Strategic planning
Policies
Organizational evaluations
Transparency

Organizational Structure

Geographic assignment of officers

Information Systems (Technology)

Communication/access to data

Quality and accuracy of data

Problem Solving:

The process of engaging in the proactive and systematic examination of identified problems to develop effective responses that are rigorously evaluated.

Scanning: Identifying and prioritizing problems

Analysis: Analyzing problems

Response: Responding to problems

Assessment: Assessing problem-solving initiatives

Using the Crime Triangle to focus on immediate conditions (Victim/Offender/Location)

CP1) To what extent is there community support in your jurisdiction for implementing the proposed award activities?

- ☐ b) Moderate support
- ☐ c) Minimal support

CP2) If awarded, to what extent will the award activities impact the other components of the criminal justice system in your jurisdiction?

- ☐ a) Potentially decreased impact
- ☐ b) No change in impact
- ☒ c) Potentially increased impact

SECTION 7: NEED FOR FEDERAL ASSISTANCE

A. Explanation of Need for Federal Assistance

All applicants are required to explain their inability to address the need for this award without federal assistance. Please do so in the space below. [Please limit your response to a maximum of 1,000 characters.]

Mental health for law enforcement is an emerging and important subject facing many police agencies. The Chicago Police Department, the second largest municipal police department in the country, believes that ensuring mental wellness for its sworn personnel is essential to fulfill its mission for the City of Chicago residents and visitors. Nevertheless, like other large agencies, competing priorities dictate what gets funded through limited corporate (city) funding. On the other hand, research clearly demonstrates that peer support is the most proven method to allow officers an emotional release to a familiar source. CPD intends to use grant funds to identify and use best practices that will improve CPD's Peer Support Program's operational structure and training practices, increase the number of trained Peer Support members, providing advanced skills training, and creating annual peer support recognition events to honor volunteer efforts by peer support members.

SECTION 8: CONTINUATION OF PROJECT AFTER FEDERAL FUNDING ENDS

If you are applying for a COPS Office award with a post-award retention plan requirement, please complete A.

Please complete these questions to indicate any plans you may have to continue this program, project, or activity after the conclusion of federal funding.

1. Does your agency plan to obtain necessary support and continue the program, project, or activity following the conclusion of federal support?

- ☒ Yes
- ☐ No

2. Please identify the source(s) of funding that your agency plans to utilize to continue the program, project, or activity following the conclusion of federal support: (check all that apply)

- ☒ General funds
- ☐ Raise bond/tax issue
- ☐ Private sources/donations
- ☐ Non-federal asset forfeiture funds (subject to approval from the state or local oversight agency)
- ☐ State, local, or other non federal award funding
- ☐ Fundraising efforts
- ☐ Other

If other, please provide a brief description of the source(s) of funding not to exceed 500 characters.

SECTION 10: PROJECT ABSTRACT

Applicants are required to provide a brief, high-level project abstract that summarizes the proposed project in 2000 characters or less. Project abstracts should explain to the reader about the projects' purpose, scope, activities, and key partners, if applicable. An abstract should be coherent, concise, and able to stand alone as a summary of the project. Project abstracts should be written for a general public audience.

The Law Enforcement Mental Health and Wellness Act of 2017 was an important first step in acknowledging the mental health issues facing police officers across the United States. For the Chicago Police Department, this concern for ensuring mental wellness started in April 2000 with the creation of its Peer Support Program. Nonetheless, of CPD's 13,000+ sworn workforce, only approximately 250 current members are trained and function as peer support members, as are approximately 200 retired sworn peer support individuals who continue to serve active sworn members and retired sworn members in crisis. Currently, peer support members receive an initial 40-hour training to become certified, with no additional funds to provide refresher training for current peer support members. In meetings held with Peer Support Program supervisors, several needs became evident, including: strengthening internal operational structures, building an internal training capacity, sustaining the current peer support program, as well as contracting for trainers to directly train peer support members. This project aims to support seven refresher courses during the project period, allowing current members to stay active in the program and keep updated on new peer support strategies and enhancing and sustaining the current peer support program. Funds will also support travel for unit supervisors to attend various conferences to identify best practices that can be utilized to strengthen the program, as well as support three certification classes through the life of the grant. A small portion of the budget will be utilized to recognize the efforts of officers who make outstanding contributions to the Peer Support Program through an annual gala. CPD believes that implementing much needed but heretofore unfunded and unachievable enhancements to the CPD Peer Support Program will ensure members continue to serve and protect the diverse communities in Chicago.

SECTION 11: PROJECT DESCRIPTION (NARRATIVE)

SECTION 14: BUDGET DETAIL WORKSHEETS

Instructions for Completing the Budget Detail Worksheets

The following Budget Detail Worksheets are designed to allow all COPS Office award and cooperative agreement applicants to use the same budget forms to request funding. Allowable and unallowable costs vary widely and depend upon the type of COPS Office program. The maximum federal funds that can be requested and the federal/local share breakdown requirements also vary.

Please refer to the program-specific application guide to determine the allowable/unallowable costs, the maximum amount of federal funds that can be requested, and the federal/local share requirements for the COPS Office program for which your agency is applying (See <https://cops.usdoj.gov/Default.asp?Item=46>). To assist you, sample Budget Detail Worksheets are included in each application guide.

Please complete each section of the Budget Detail Worksheets applicable to the program for which you are applying (see <https://cops.usdoj.gov/Default.asp?Item=46> for requirements). If you are not requesting anything under a particular budget category, please check the appropriate box in that category indicating that no positions or items are requested.

Applicants must submit reasonable budgets based on the resources needed to implement their proposed projects. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the project narrative.

The budget narrative should thoroughly and clearly describe every category of expense listed in the budget detail worksheets contained in section 14 of the application. The COPS Office expects proposed budgets to be complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities).

Final calculations will be rounded to the nearest whole dollar. Once the budget for your proposal has been completed, a budget summary page will reflect the total amounts requested in each category, the total project costs, and the total federal and local shares.

In addition to the Budget Detail Worksheet, it is a requirement of the CPD, PASS, and CRI-TA programs to attach a separate budget narrative under Section 13. Failure to attach the detailed budget narrative, as outlined in the application guides, will eliminate your application from consideration.

If you need assistance in completing the Budget Detail Worksheets, please call the COPS Office Response Center at 800-421-6770.

C. EQUIPMENT/TECHNOLOGY

☒ No Equipment/Technology Requested

Instructions: List non expendable items that are to be purchased. **Provide a specific description for each item in the description boxes below and explain how the item supports the project goals and objectives as outlined in your application.** Non expendable equipment is tangible property (e.g., information technology systems) having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Expendable items should be included either in the “**SUPPLIES**” or “**OTHER**” categories. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially for high-price items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the “**CONTRACTS / CONSULTANTS**” category.

Please be advised that, to the greatest extent practical, all equipment and products purchased with these funds must be American-made.

For agencies purchasing items related to enhanced communications systems, the COPS Office expects and encourages that, wherever feasible, such voice or data communications equipment should be incorporated into an intra- or inter- jurisdictional strategy for communications interoperability among federal, state, and local law enforcement agencies.

See <https://cops.usdoj.gov/Default.asp?Item=46> for a list of allowable/unallowable costs for this program. Please limit your descriptions to 1000 characters.

D. SUPPLIES

☒ No Supplies Requested

Instructions: List items by type (office supplies; postage; training materials; copying paper; books; hand-held tape recorders; computing devices costing less than \$5,000; etc). **Provide a specific description for each item in the description boxes below and explain how it supports the project goals and objectives outlined in your application.** Generally, supplies include any materials that are expendable or consumed during the course of the project, costing less than \$5,000.

See <https://cops.usdoj.gov/Default.asp?Item=46> for a list of allowable/unallowable costs for this program. Please limit your descriptions to 1000 characters.

E. TRAVEL/TRAINING/CONFERENCES

☒ No Travel/Training/Conferences Requested

Instructions: Travel costs are the expenses for transportation, lodging, subsistence, temporary dependent care, and related items incurred by employees who are in travel status on official business of the nonfederal entity. Official travel can include attendance at an award-related meeting or conferences when travel is further than 50 miles from the program location. The only individuals traveling that should be included in this section are ones listed in “Section 14.B. Base Salary and Fringe Benefits for Civilian/Non-Sworn Personnel.” All other individuals traveling for this project including participant and consultant travel should be listed under “Section 14.F. Contracts/Consultants.” Applicants without a written travel policy must follow the established federal rates found at (<https://www.gsa.gov>) for lodging, meals, and per diem. For all applicants (with or without a written travel policy), airfare travel costs must be one of the following: the lowest discount commercial airfare, standard coach airfare, or the Federal Government contract airfare (if authorized and available).

Instructions: Itemize award-related travel expenses of recipient personnel (excluding consultants, whose expenses are listed in section F) by event (e.g., mandatory training, staff to training, field interviews, advisory group meetings). Identify the location of travel whenever possible, and show the number of staff expected to attend each event. Registration/training fees, transportation (including airfare, rental cars, parking, and/or baggage fees), lodging and per diem rates for individuals should be listed as separate travel items. Recipient travel costs specific to the award project may be based on the applicant's written travel policy, assuming the costs are reasonable.

See <https://cops.usdoj.gov/Default.asp?Item=46> for a list of allowable/unallowable costs for this program. Provide a specific description in the description boxes below for each item and explain how the item supports the project goals and objectives as outlined in your application. Please limit your descriptions to 1000 characters.

The director of the Employee Assistance Program, whose unit houses the Peer Support Program, intends to attend several conferences in order to stay up to date with best practices and innovations in the realm of officer wellness as it relates to peer support. The coordinator of the peer support program also intends on attending these seminars and conferences along with the director. Two staff members will travel to 6 conferences/seminars throughout the life of the grant. They will travel to 3 seminars/conferences in year one, and three in year 2 of the project. Once annually the Employee Assistance Program plans to hold a recognition/gala ceremony for existing peer support members. Currently, peer support members do not get paid for their work in the program. This program is strictly voluntary, with officers having to apply to become a member. EAP wants to recognize every officer who takes part in the program, giving special recognition to those who make extraordinary contributions such as saving the life of an officer in crisis. Currently, EAP is working with the superintendent of police to develop a way that officers can be given a lifesaving award for actions that prevent an officer suicide. These recognition galas will provide an important step in building officer camaraderie within the program, and allowing those who make significant contributions to be recognized.
